Even missing just two days a month adds up to a whole month of learning lost each year. Every day your child shows up builds skills, confidence, and connection.

5 THINGS YOU CAN DO IF YOUR CHILD IS AVOIDING SCHOOL

1. Stay calm and curious. Ask what's bothering them, there's often a small reason behind big feelings.
2. Keep routines steady. Regular bedtimes and morning routines help school feel normal.
3. Model confidence. Say, "I know you can do this," instead of "You don't have to go."
4. Reach out for help. Don't wait, your school team wants to support your child early.
5. Start with the front office. They can connect you with the nurse, counselor, attendance staff, or mental health specialist for help

PTA Corner Thank you for helping make sweet things happen at Cordova Gardens!

She hopes to connect and grow alongside you all this year to ensure the best for the students and families here at Gardens. Alexa is here to support our children, our families, and our community in any way possible. So please reach out if you need support at home or with your child, have a question, want to talk, or even if it's just to say hi!

Jeremiah Williams is the Restorative Specialist here at Gardens. Jeremiah has worked in education for 4 years and has a passion for creating an inclusive and joyful environment for learning. He has also worked as a raft guide and at youth summer programs where working as a family was essential for achieving success and giving us all the opportunity to reach our highest possibility. I hope to bring that same energy to academia and here at Cordova Garden, where we can all SOAR like the Eagles we are!
