5. **STATEMENT TO THE PUBLIC**
It may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Almost without exception, before a matter is placed on the agenda at a public meeting, the matter is thoroughly reviewed by the Superintendent and, when necessary, other school district administrators. If the Superintendent is satisfied that the matter is ready to be presented to the Board of Education, and if the circumstances permit, it is then referred to the appropriate committee of the Board of Education. The members of the Board committee work with the Administration and the Superintendent to assure its understanding of the matter. When the Board committee and the Superintendent are satisfied that it may be presented to the Board of Education, the matter is placed on the agenda at a public meeting.

6. **ACTION AGENDA**
At this time, the following motion was made. Motioned by Ms. McArthur and seconded by Ms. Camargo and carried on unanimous roll call vote.
