LIBERTY COMMUNITY CHRISTMAS TREE PROGRAM

Food Drive

The Liberty Community Christmas Tree Program helps local families and seniors have a happier holiday season by providing boxes of food and gifts for children. Their goal is to help about 450 families and 190 seniors in our school district.

Each household in the LCCT program receives 3 boxes full of donated food and the food drive is critical to making this happen. Kid's Zone is happy to help contribute to this effort and support families in our community!
