Visual Dress Code Guide
2026–2027

Standards for a Safe, Comfortable, and Focused Learning Environment

Headwear

Acceptable Headwear

Religious, medical, and cultural head coverings are permitted. Headwear may also be worn for approved school activities and designated spirit or special event days.

Not Acceptable Headwear

Hats and other head coverings may not be worn without approval. Hoods must remain down inside the school building.

Lower Garments

Acceptable Lower Garments

Shorts, skirts, dresses, and pants must provide appropriate coverage while students are standing, seated, bending, climbing, or participating in school activities.

Not Acceptable Lower Garments

Undergarments may not be visible. Pants or jeans may not have excessively large holes that expose undergarments or areas that should remain covered. Pajamas may only be worn or designated spirit or special event days.

Upper Garments

Acceptable Upper Garments

Tops must provide appropriate coverage of the torso during normal movement and school activities.

Not Acceptable Upper Garments

See-through or open-weave clothing that exposes areas typically covered by undergarments are not permitted. Undergarments may not be worn as outerwear or intentionally exposed.

Footwear & Accessories

Acceptable Footwear & Accessories

Closed-toe shoes with a secure back are preferred and strongly recommended. Athletic shoes are required for physical education.

Not Acceptable Footwear & Accessories

Shoes that create a safety hazard or prevent participation in school activities are not permitted. Sandals with a back are worn at your own risk.

Headphones, earbuds, and smart audio or video devices, including AI glasses, may only be used with staff authorization or as part of an approved accommodation.

Clothing Messages

Clothing and accessories may not contain offensive, obscene, or demeaning messages or promote alcohol, tobacco, vaping products, drugs, weapons, or violence.

Administrations may require students to change clothing or footwear that creates a disruption, presents a safety concern, prevents participation, or does not meet these expectations.
