Nov. 2 EPS Family Newsletter

Dear EPS Families,

Good Afternoon! Please note that we do not have school for students tomorrow, Tuesday Nov. 3, because of the general election. Many of you have parent-teacher conferences scheduled, and we look forward to welcoming you to school tomorrow.

EPS Holiday Online Auction planning is in full swing! Check out the attachment for the QR code to donate an item, service or gift certificate, or click here. We'd like the auction to include offerings for any budget. For example, I have a nice old guitar that I'm going to donate to the auction, and I know of someone else donating a pretty, framed art piece they no longer want. We also have a parent who has donated eyebrow style services! The larger our auction catalog is, the more we can raise for families in need, as well as EPS classrooms.

We appreciate your support! Let me know if you have any questions.

On Veteran's Day, Wed. Nov. 11, we welcome our students' family members who are veterans to come for a light breakfast at 9:45, then be our special guests at the flagpole for our ceremony at 10:15am. We will have seating available for our guests. Please email Cybil Bakker with questions (cbakker@rbbschools.net).

Have a wonderful week!

Sincerely,

Lucy Fischman

Principal, EPS
