UPDATED: College Pathways 2027 State Assessment Schedule

for Full-Time students and Part-Time students

Please make every effort to attend the testing session for your grade level listed below. Should you have a conflict with your scheduled time, please contact Mrs. Steiner (psteiner@tcatitans.org). Make-up testing is available for every assessment.

College Pathways has tried to streamline testing sessions. To accommodate the various schedules of state tests, College Pathways plans a non-instruction week during our primary state testing week: April 12-16. A non-instruction week means no regularly scheduled CP coursework, no on-campus CP classes.

April 5-9 = CMAS Science 11 testing week for 11th graders

April 12-16 = primary testing, non-instruction week for all CP 7-11 grade students

Grade	Assessment	Date and Times
7th Grade Students – CMAS Testing – must complete all units for a subject to receive a score.	CMAS English (unit 1), Math (unit 1&2)	Mon., April 12, 7:45 – 12:40pm (snack, no lunch break
