Elective Course Requests

Palatine High School is committed to ensuring your student's high school experience is enriching, academically fulfilling, and tailored to their individual interests laying the foundation for their future educational and career pursuits.

All freshmen will have a daily class schedule that includes English, math, science, wellness classes, study hall, and elective courses. Incoming freshmen will be placed into specific English, math, and science courses based on placement test scores and recommendations from 8th-grade teachers.

Steps To Select Elective Course Requests

1. Review the courses listed on the back thoughtfully to maximize your student's high school experience and prepare for the post-secondary journey.

2. Identify elective courses that align with your student's personal interests, academic readiness, and future goals.

3. Review graduation requirements and course descriptions of your identified elective courses in the District 211 Curriculum Guide (https://adc.d211.org/curriculum-guide).

4. Submit elective course requests through the D211 Infinite Campus Parent Portal.

How to Submit Elective Course Requests

1. Log in to the **D211 Infinite Campus Parent Portal**.

2. Click **More**, then select **D211 Elective Course Selection** under *Quick Links*.

3. Enter your student's **two elective course requests** plus **one alternate course**.
- The alternate course will be used if there are scheduling conflicts or if prerequisites for courses are not met.

4. All elective requests must be submitted by **Tuesday, December 15**.

Need Help?
