Demographics

Demographics Summary

Heritage ES is a PreK-5 campus located in Highland Village, TX. The PreK program operates under the name Discovery Academy and the curriculum is STEM focused. The campus opened in 1993. Currently Heritage has 660 students and 80 full time staff members. Over the past 5 years, elementary enrollment has gradually declined due to students aging out of elementary and families not moving out of the zone. During the 2025 - 2026 school year however, enrollment took a sharp increase due to absorbing the majority of nearby Highland Village ES which was closed by LISD after the 2024 - 2025 school year. The current demographic distribution is as follows: African American 4.55%, Hispanic 16.36%, White 62.73%, Asian 9.55%, Two or More Races 6.67%. Heritage has 11.6% economically disadvantaged, 2% English Language Learners, 1% At Risk and 17.27% of students in Special Education

Heritage is known for continued high levels of academic achievement, community service work, WatchDOGS Program for dads, the Texas Our Heritage Outdoor Learning Area, The Hawkfest Community Carnival, Family Fitness Day, and award winning Boys and Girls Choirs.

Extra-curricular clubs at Heritage include Recycling Club, Choir, Running Club, Safety Patrol, Chess Club, Lego Club, and Outdoor Learning Club

Demographics Strengths

Heritage Elementary has many strengths. Some of the most notable demographic strengths are:

1. Attendance rates have consistently stayed above 95-97%% over the past several years
2. Heritage continues to meet/exceed standards in all content areas based on STAAR results
3. Focus on building relationships with students/families has allowed a warm and welcoming environment at Heritage
4. Community partnerships and parental involvement is at a very high level
5. Heritage typically maintains 100% staff membership in PTA
6. Heritage routinely maintains an equivalent of 1 PTA member for every child enrolled
7. Heritage was named a National PTA School of Excellence 2025-2026
8. Staff turnover rate is extremely low from year to year
9. Heritage has been named a CREST Award winner 3 years in a row for commitment to counseling excellence
10. All available extra-curricular clubs are free to students and sponsored by a staff volunteer

Student Learning

Student Learning Summary

STAAR data results show continued progress in grades 3-5. Istation data is utilized in grades K-5 to monitor student progress of math and reading. Grades 3-5 also use CBA, benchmark data as well as summative and formative assessments. This year will be year 2 implementation of iReady in place of istation for math and reading data

According to the 2025-2026 STAAR data, our students performed at the following levels (scores represent combined campus passing scores)

Reading 89%

Math 83%

Science 81%

According to the 2025-2026 iready data, approximately 84.7% of all students were performing at, or above, grade level in Reading by the end of the school year.

Student Learning Strengths

Overall performance in reading and math continue to be high in all areas as measured by STAAR and other sources. Scores exceed the district and state averages in most areas. Tutoring and interventions are available for all students who may be struggling. Small group and intensive instruction takes place in the classrooms. Multiple data points are utilized throughout the year during Literacy Check-ins, PLC meetings and data digs. With the assistance of Learning Facilitators, teachers identify gaps and trends and adjust instruction as needed.

Additionally, students as young as kinder are being taught how to identify individual learning goals and how to track them using charts and graphs.

School Processes & Programs Strengths

Heritage has a very high participation rate with extra-curricular clubs and parental involvement. Our focus on community and parental involvement over the past few years has greatly increased the small town, family atmosphere and overrall safety of our school grounds. Heritage boasts the first, and largest, WatchDOG program in the feeder pattern. In the last few years, our lead WatchDOGS have consulted with father figures from other local schools to help them begin their own programs. Our campus PTA has the highest percentage of memberships per enrollment in the entire district based on 2023-2024 membership statistics. As we absorbed another elementary school in the 2025 - 2026 school year, our stats changed as we began to track new enrollment, new families and new processes.

Perceptions

Perceptions Summary

Heritage is a place where all students feel welcome. Staff are trained in Cultural Proficiency and Restorative Practices in efforts to be sensitive to all student needs. Heritage maintains one of the highest participation rates in PTA membership garnering awards at the local, state and national levels.

According to a recent parent survey parents responded stating:
Are satisfied overall 94%, The school staff cares 96%, student health and wellness is supported 93%, Parents feel welcomed and supported 94%, school staff communicates well 94%, teachers do whatever it takes to help my child academically 88%

93% of students report there is a staff member I feel comfortable talking to

Perceptions Strengths

Heritage continues to out perform the local and state averages on state standardized tests. Our outdoor learning classroom, Texas Our Heritage, is a one of a kind environment making Heritage very unique. Staff turnover is at an all-time low giving our students consistency and stability. Our PTA is a notable strength earmarking the majority of their budget for student programs and functions that directly correlate with student learning. Heritage maintains the largest number of business partnerships in the area. Over 50 community businessess sponsor our Heritage Hawkfest Community Carnival every year.

We value parent and family involvement with a focus on WatchDOGS (for dads), PTA and after school clubs for students. By partnering with local retirement community down the street, honoring our Veterans every year and completing service work around the community, our students learn to be servant leaders while giving back to their community.

Strategy 1: Identify and monitor students identified as at risk based on multiple sources of student data, including students in special populations. Provide targeted interventions through the MTSS process, accelerated instruction, and supports based on student needs, comprehensive needs assessment findings, and in alignment with campus student learning, discipline, and attendance goals. Utilize MTSS to identify learning, behavioral, and attendance needs early, implement interventions, monitor student progress, and adjust supports as needed. Integrate technology as digital learning tools, and accessibility features to increase student engagement, learning, and provide equitable access to rigorous instruction. Special program students are accurately identified and appropriately served. A plan is in place to accurately identify students for special programs. (Programs serving diverse students include, but are not limited to the following: Gifted and Talented, At-Risk, Bilingual/ESL, Dyslexia, Special Education, Counseling, other special funded programs.) Professional learning is provided to all staff regarding the needs of learners from special populations (at-risk, special education, 504, dyslexia, G/T, ELL, Economically Disadvantaged, etc.). Teachers receive training and support to differentiate instruction to meet the needs of all students. Language acquisition services are provided for language learners through differentiating for their stage of language acquisition through models aligned with state requirements. Special education services are provided to students as determined by the ARD committee. G/T services are provided in alignment with the Texas State Plan for Gifted/Talented students. LISD takes a comprehensive approach in providing treatment and acceleration to students who have been identified with having a special learning disability of dyslexia. Depending on the age, language, skill ability and identified strengths and weaknesses , the district offers a variety of programs based on the well-researched Orton-Gillingham method of instruction. Reading interventions based on this approach provide the comprehensive learning strategies students with dyslexia require to overcome their literacy struggles by using multi-sensory tools to teach phonemic awareness, phonics, fluency, vocabulary and comprehension sequentially. All scripted, direct instruction reading programs adopted for use in LISD, including MTA, Foundations, Esperanza, New Herman Method and Language! Live were carefully vetted based on teh TEA required principles of effective dyslexia instruction. LISD ensures all the reading interventions for struggling readers are provided with consistency and fidelity in order to ensure students close the gaps and are using their newly acquired skills to become more confident readers.
