Strategy 1: Identify and monitor students identified as at risk based on multiple sources of student data, including students in special populations.	Formative			Summative
	Nov	Feb	May	
Provide targeted interventions through the MTSS process, accelerated instruction, and supports based on student needs, comprehensive needs assessment findings, and in alignment with campus student learning, discipline, and attendance goals. Utilize MTSS to identify learning, behavioral, and attendance needs early, implement interventions, monitor student progress, and adjust supports as needed. Integrate technology as digital learning tools, and accessibility features to increase student engagement, learning, and provide equitable access to rigorous instruction. Special program students are accurately identified and appropriately served. A plan is in place to accurately identify students for special programs. (Programs serving diverse students include, but are not limited to the following: Gifted and Talented, At-Risk, Bilingual/ESL, Dyslexia, Special Education, Counseling, other special funded programs.) Professional learning is provided to all staff regarding the needs of learners from special populations (at-risk, special education, 504, dyslexia, G/T, ELL, Economically Disadvantaged, etc.). Teachers receive training and support to differentiate instruction to meet the needs of all students. Language acquisition services are provided for language learners through differentiating for their stage of language acquisition through models aligned with state requirements. Special education services are provided to students as determined by the ARD committee. G/T services are provided in alignment with the Texas State Plan for Gifted/Talented students. LISD takes a comprehensive approach in providing treatment and acceleration to students who have been identified with having a special learning disability of dyslexia. Depending on the age, language, skill ability and identified strengths and weaknesses , the district offers a variety of programs based on the well-researched Orton-Gillingham method of instruction. Reading interventions based on this approach provide the comprehensive learning strategies students with dyslexia require to overcome their literacy struggles by using multi-sensory tools to teach phonemic awareness, phonics, fluency, vocabulary and comprehension sequentially. All scripted, direct instruction reading programs adopted for use in LISD, including MTA, Foundations, Esperanza, New Herman Method and Language! Live were carefully vetted based on teh TEA required principles of effective dyslexia instruction. LISD ensures all the reading interventions for struggling readers are provided with consistency and fidelity in order to ensure students close the gaps and are using their newly acquired skills to become more confident readers.
