DANCE

Boy & Girls Ages 3+

Explore Movement, Build Confidence & Have Fun!

Our Dance Program offers a positive and encouraging environment where children can develop coordination, flexibility, balance, rhythm, body awareness, and self-expression.

Children ages 2–5 can explore music and movement through **Toddler** and **Preschool Dance**, with age-appropriate activities that build coordination, rhythm, confidence & beginning dance skills. Dancers ages 5+ can choose from **Beginner** and **Intermediate** Ballet, Jazz, and Combo Dance classes, making it easy to find the right fit whether they're discovering dance for the first time, building on previous experience, or complementing their gymnastics training.
