CPR/AED Training With First Aid

At the Woodson YMCA, we understand the significance of safety training. That's why we o° er comprehensive American Red Cross Certification courses facilitated by our experienced instructors.

COURSE HIGHLIGHTS:

Our CPR/AED course equips participants with the knowledge and skills necessary to recognize and respond confidently to breathing and cardiac emergencies. Participants will learn how to administer appropriate care until advanced medical assistance arrives. This includes training on the proper use of CPR, an AED (Automated External Defibrillator) to assist individuals experiencing cardiac arrest, and basic first aid until professional emergency responders arrive. Our course meets the requirements for general YMCA sta° , Childcare Employees, Camp Counselors, Coaches & Community Members.
