It's a Great Day To Be a Red Devil

Letter from the Principal

Dear East Families,

We are quickly approaching the holiday season and colder weather, which means we are already halfway through the semester! I want to send a huge thank you to all of you for everything you do to support our students and help ensure they have a meaningful, successful high school experience.

As we slide into the second half of the semester, it is incredibly important for students to stay on top of their coursework and grades. You can always check up-to-date grades and attendance through your Infinite Campus portal. If your student needs a little extra help with any of their classes, please encourage them to make the most of our Advisory periods on Tuesdays, Thursdays, and Fridays—this is a built-in chance for them to "flex" and get direct assistance from their teachers. We also have one final opportunity for Fall Parent-Teacher Conferences on Wednesday, November 25th, from 7:30 to 11:30 AM. We would love to see you there.

Even though it's only the beginning of November, we are already looking ahead to the future! Soon, students will begin receiving information about course options for the 2027-2028 school year. Over the coming weeks, they will watch videos and slideshows highlighting our different departments, walk through a scheduling presentation, and meet individually with their school counselor to make sure they are on track for graduation.

Choosing classes is a team effort. Counselors and teachers will be guiding them, but we highly encourage you to talk with your student about their interests and plans for the future. We offer a wonderful variety of choices, including Dual-Credit (DC), Advanced Placement (AP), and career-focused courses tailored to all kinds of different passions.

Finally, winter sports will be starting up over the next two weeks! If your student plans to try out or participate, please make sure their physical is up to date and that they are fully registered through Arbiter (which you can easily access on our school website).

Thank you for your continued partnership. Stay warm, and have a wonderful rest of your week!

If you need assistance please do not hesitate to reach out.
Lisa Lipp, Principal

GBAPS High School
Classroom Electronics Procedures

Before Class *Starts*

- **Students turn off their electronics including cell phones**
- **Students place their phone in their designated numbered pouch**
- **Phones stay in the pouch during the entire class period**

Before Class *Ends*

- **Students wait for their teacher to call on them to retrieve their cell phones from the pouch**
- **The class is not dismissed until all students have their own cell phone back**

If students need access to their phones during class for *medical*, *personal*, or *educational purposes*, they should contact their teacher about these circumstances.

Please contact your teacher if you have any questions!

Semester Consequences for Violating Cell Phone Procedures for Each Learning Space

First Violation

- The student will pick up their device from the office at the end of the day.
- The incident will be documented in the student's discipline record as a moderate behavior event and the staff submitting the referral will notify parent/guardian.

Second Violation

- The student will pick up their device from the office at the end of the day.
- The incident will be documented in the student's discipline record as a moderate behavior event and the staff submitting the referral will notify parent/guardian.

Third Violation

- Theincident willbe documented in the student's discipline record as a major behavior event.
- The student will pick up their device from the office at the end of the day.
- Persistent violations may result in a Learning Support Team (LST) meeting.
- Parent/Guardian, with admin. support, may determine that the electronic device would be better left at home for a period of time in an effort to help their student prioritize their learning.

How to Handle a Problem Involving School/Education

We hope you do not have a school problem, but if you do, please try to resolve it at the level closest to the problem. If the problem occurs in the classroom, discuss the complaint or concern directly with the teacher involved. If you are not satisfied, contact your child's Associate Principal.

Student Principal	Last Name
Mrs. Hauser	A - G
Mrs. Horn	H - P
Mrs. Samples	Q - Z

If you are not satisfied with the response of the Associate Principal, contact Lisa Lipp, Principal. If you cannot resolve the problem with the Principal, contact the District Administrator of Instruction at 920-448-7330.

HAVE YOU MOVED??

To maintain accurate records and ensure that you receive school communications, please notify the main office of changes in address, phone numbers, emergency numbers, and e-mail addresses for your children.

To change an address, you must complete a form available from the Main Office. Written proof of the new address is required; you will be required to show a lease, mortgage document, or utility bill with the new address.

ATTENDANCE CALLS

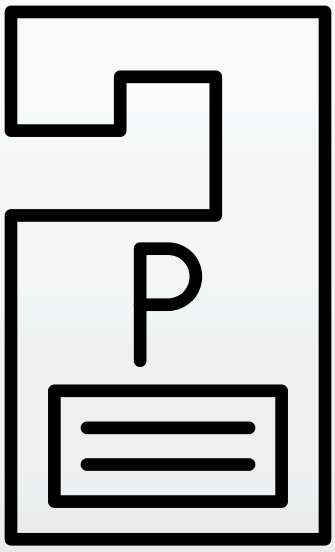

Please call

920-448-2093

When reporting your child absent or you need them dismissed for an appointment, call the number above.

If the line is busy or nobody answers, our attendance secretaries are assisting other callers.

Please leave a message including your name, your child's name and the details of the absence. The Attendance secretaries retrieve messages continuously throughout the day.

Parking Passes

$75 Full Year

$37.50 2nd Semester

- Complete the 26-27 Parking Application
- Passes can be picked up in the Main office with payment & a Valid Drivers License

As a service to students and their families, GBAPS is making available an optional student accident insurance plan for your child at a very nominal cost. The district offers this program because of trends in rising family health and dental insurance costs, increased deductibles, co-payments, or lack of health or dental insurance coverage. Coverage and enrollment information is available at gbaps.org/enroll.

Families check with your students, there are several items in our lost and found. Jackets, water bottles, clothing. Lost and Found is in the attendance office.

If they think they are missing any electronics or jewelry ask the Office Staff to check the bin.

Update to Payment Processing for Student Fees and Food Service

To help manage the increasing cost of credit card processing fees, the district will begin applying a 3.85% processing fee to all credit card payments made through the Infinite Campus Parent Portal. This includes payments for student fees as well as deposits to food service accounts.

We are also introducing a new, lower-cost electronic payment option: ACH bank payments. By entering your bank account information in the Parent Portal, you can make payments electronically with a fee of $1 per transaction.

As always, cash and checks remain acceptable forms of payment for both student fees and food service.

Dear families,

Online risks are constantly evolving, and staying informed is critical to keeping our students safe. This past week, our district, along with several neighboring Green Bay area districts, co-hosted a vital community presentation event titled Digital Safety & The Dangers of Sextortion.

If you were unable to attend the event but are interested in the topic, you are invited to view a recording of the event. Please note the recording contains sensitive content and is just over an hour in length.

Resource Spotlight: Take It Down (NCMEC) - If an explicit image or video of a minor has been shared or threatened to be shared online, help is available. Take It Down is a free, confidential service operated by the National Center for Missing & Exploited Children (NCMEC). It allows youth, parents, or trusted adults to create unique digital fingerprints (hashes) of explicit images or videos directly from their own device without uploading the actual media. Online platforms use these hashes to detect, remove, and prevent the spread of explicit content involving minors.

College Application Information:

The senior class of 2027 can begin the online college application process any time late August-September 2026. After submitting the online portion of the application, students will need to also send an official transcript through www.parchment.com.

East High School has partnered with Parchment to provide secure online transcript ordering available 24/7. Creating an account is free and only takes a few steps! All Parchment account directions were given out at Junior Conferences, and you can refer to those to get started. For any other Parchment questions, please see your counselor or Michelle Cropsey in Student Services.

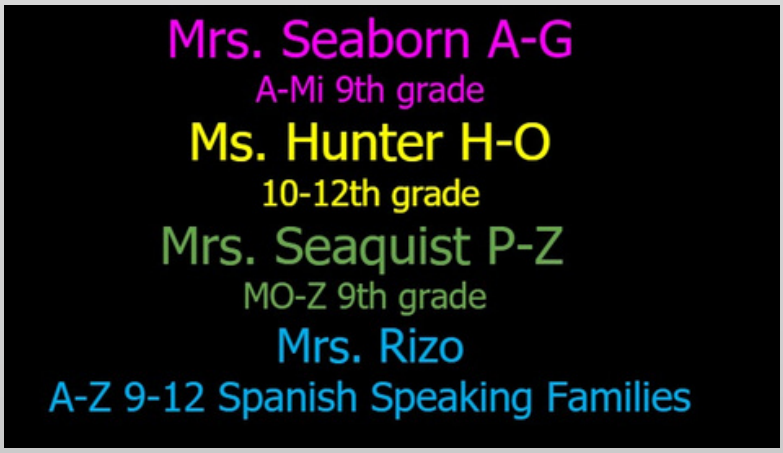

Scheduling for the 2027-2028 school year starts now!

As we prepare for the upcoming academic year, it is time for our students to select and schedule their classes. This is an exciting milestone that allows your child to shape their educational journey, explore new interests, and stay on track for graduation and future goals.

Key Steps for Course Scheduling:

1. Review the Course Catalog: Take a look at the prerequisites and graduation requirements. Course Description Books - Green Bay Area Public School District
2. Discuss Options: Help your child balance challenging core courses in engaging electives.
3. Complete the Course Selection sheet.

Our school counselors will be meeting with students over the next few weeks to provide guidance and answer any specific questions they may have. If you have any concerns or need assistance with the scheduling process, please feel free to reach out to your child's assigned counselor. East Student Services 920-448-2092

care/solace

Dear Families,

Children's Grief Awareness Day was created to emphasize the unique struggles youth face when grieving and provide ways we can help support them through this challenging time. According to the New York Life Foundation, nearly 5 million youth under 18 will lose a parent or sibling.

Grief is a long journey; even when one may not feel ready, daily activities carry on. Since grief is long-lasting and affects everyone differently, those grieving may need advocates to stand by their side. Without a supportive advocate, grief can feel isolating and young people in particular, may feel misunderstood. If your family is experiencing grief, or you know someone who is, here are some helpful websites to give you insight into how you can continually support them as they adjust to life without their loved one.

- Child Mind Institute - A comprehensive resource for families supporting grieving youth
- Cancer.Net - Resources on how to support grieving youth.
- National Alliance for Children Grieving - A national organization of professionals dedicated to supporting children and the networks and communities surrounding them.
- Youth Caregivers & Bereaved Youth - A website created to support caregiving or bereaved youth ages 4-25, parents, and professionals.

Find a mental health provider in your area by contacting Care Solace. They will help you find community-based mental health providers accepting private or public insurance or sliding scale options for those without insurance. If you would like to use Care Solace's coordination services free of charge:

- Call 888-515-0595 available 24/7/365 in 200+ languages

Visit www.caresolace.com/gbaps and either search on your own OR click "Book Appointment" for assistance by video chat, email, or phone.

This yearwe will be collecting senior photos and senior quotes for the yearbook using a Google Form. Parents should work with their students to submit their photos, but ***the form must be accessed using a student Google Account for the photos to be submitted***. Students will be receiving more information about this process in their advisory classes. Any students who need help can connect with Mr. Buss. Please be aware that if senior photos are not submitted on time, or if there is a problem with the file that is submitted, we will use the most current school photo for the yearbook.

Please complete the form by December 4 to make sure your senior photos are included in the yearbook: https://forms.gle/KqimGyX4wbzWsUV89

This is the explanation sheet for sports online registration through Arbiter. All athletes need to complete this prior to the first day of practice as well as have a WIAA physical clearance form on file in the main office.

When you get to the agreements/electronic signatures - you must agree to each and all signatures must match. Parent/guardian name must match (first and last name). Student signatures must match (first, middle, and last name). The middle name is required, so whatever you enter must be included with the student signature. Example for John Smith - he does not have a middle name and puts NA in the middle name box - he needs to sign John NA Smith for all student signatures.

CROSS COUNTRY RUNNERS

THANK YOU FOR ANOTHER MEMORABLE SEASON!

Whatayear! Thankyou toall our cross countryrunners for another unforgettableseason. Weloved every moment—from our fun runs (Ice Cream Run, Color Run, Mural Run, Early Morning Donut Run, Baird Creek Runs with hills!) to our daily positives and negatives, venting about classwork, chocolate milk chugs, pasta dinners, bus rides, workouts in Joannes, races, and watching each of you grow as young adults and athletes.

Feeling the FOMO?

Good news—you don't have to! YOU can join cross country too. Whether you're fast, new, curious, or just want to be part of something awesome, there's a spot for you. Come make memories, build friendships, and discover a lifelong healthy habit that starts with one step.

Northeast Wisconsin YOUTH APPRENTICESHIP

East High's **Youth Apprenticeship student Demonte Hatcher** spoke about his experience at the recent Brown County Home Builders Association Build My Future Brown County Event. He said, "Some people don't know what they want to do when they get older; they're stuck, and they just need something—they just need a blueprint! This is great! There's a bunch of things to see what you want to do with your life—it's amazing!"

Juniors and Seniors: There is still time to explore career paths through Youth Apprenticeship for the 26/27 school year in 16 career pathways! Learn more at this link: NEWYA7.org or by contacting YA Coach Mindy Frank at mfrank@cesa7.org or 920-764-2552.
