PARENTS, SHOULD A SCHOOL EMERGENCY OCCUR ...

- As difficult as it may be, please do not rush to the school. Emergency vehicles must have unrestricted access to and from the school. Your child's safety is of primary concern to staff and emergency workers.
- Please do not phone the school. This ties up phone lines and, even if you get through, the person answering may not have the authority to release information to the public.
- Please listen to the radio/TV and the automated phone message from your child's principal to hear status reports and to learn when you are permitted to come for your child!
- Please follow directions for parking when you come to the school. Randomly parked vehicles may hinder emergency procedures.
- Please follow directions from the staff and/or emergency personnel for entering the building or locating your child.
- Please be patient! We must account for your child before releasing him/her to you. No child will be released to anyone but the parent unless there is present written permission signed by the parent or the person(s) named on the child's emergency card.
