Wood County Health Department

Each CLC family who attends will receive $25 off their November CLC bill!

CLC STARS PRESENTS:

Wellness Around the Table

Make & Take Homemade Spaghetti Sauce

Hold onto your meatballs because Wood County Health Department and The Community Learning Centers are cooking up something spectacular! They're diving into the art of saucy spaghetti sauce making and canning. Families can snag a pasta night take-home bag and even roll the dice for a chance to win some grocery goodies! Plus, there's a mini masterclass on using Chat GPT to whip up culinary magic with those forgotten pantry items and stretch your groceries further than a noodle!
