* 3rd graders must take part II (writing) when they take part I for the initial test.

* **K-3 Screeners must still be completed as we do with state assessments.** Grades 4-8 can test according to building submitted schedule, but does not require the full testing procedures.

***Always Monitor** iReady AND Renaissance testing just as we monitor state testing to deter students from cheating. Notify STC, principal, and parent of any students cheating during any assessments.

***Always Remind** students to take iReady and Renaissance testing serious because the results will be used for scheduling for the next year.

***K-2** will be using the assessments from their curriculum as their benchmark assessments.

ONE DISTRICT. ONE TEAM. ONE GOAL. All In for Students!
