

Arts and Sciences Summer Exploration Program

Save the date!

The Arts and Sciences Summer Exploration Program offers week-long, hands-on courses for rising 7th–12th graders, giving students the opportunity to explore exciting topics and experience college life at The Ohio State University. Led by Ohio State faculty, staff, and graduate students, courses spark curiosity, build connections, and inspire lifelong learning.

Sessions run June 7–July 2, 2027
Course list available January 2027
