DAC Bylaws

BDF R-6 Article II:
A. To recommend to the District Board of Education priorities for spending District moneys;

B. To advise the District Board of Education and submit feedback to the District regarding District's performance improvement, priority improvement, or turnaround plan developed by the District (as applicable), and meet at least quarterly to discuss the implementation and progress of said plan;

C. To review all charter school applications received by the District and submit recommendations to the Board of Education about each application;

D. To provide advisory feedback to principals concerning assessment tools used to measure student growth, consistent with the requirements of Colorado law;

E. To consider input from School Accountability Committees ("SACs") to facilitate evaluation processes of building principals' performances;

F. To provide input to the District Board of Education on the District's Student Conduct and Discipline, Rights and Responsibilities Code and Board Policy JICDA – Conduct and Discipline Code;

G. To increase the level of parent engagement in the District and its schools, especially the engagement of historically underserved families and students, including promoting opportunities to serve on DAC and SACs, assisting the District in implementing the parent engagement policy, Board Policy – KB – Parent Involvement in Education, and assisting school personnel in increasing parent engagement;

H. To provide input to the Board of Education on the District's school safety plan; and to work cooperatively with the Board of Education to determine areas and issues (including budget issues) that DAC should study and provide recommendations about to the Board of Education.
