Dear Friend,

Holy Family Parish School in Kirkland, Washington, is pleased to present **Into the Wild**, our 43rd Annual Auction, on Saturday, April 10, 2027. As our school's signature fundraising event and a cherished community tradition, the auction brings together families, parishioners, local businesses, and friends in support of Catholic education. We invite you to join us in making this year's event a success.

For 69 years, Holy Family Parish School has provided an exceptional Catholic education rooted in academic excellence, faith, and community. Proceeds from our annual auction have helped fund schoolwide technology improvements, curriculum enhancements, dedicated art studio space, campus security upgrades, essential operating expenses, and tuition assistance for families. These investments directly strengthen the educational experience of our students and help sustain our school for future generations.

We invite your business to participate by donating merchandise, gift certificates, services, or unique experiences for our online and live auctions. Your contribution will help us raise essential funds to support our students and school. The deadline for auction donations is **February 26, 2027**.

In appreciation of your donation, your business will be recognized alongside your contribution in our online auction catalog and, as applicable, at our gala. This recognition provides an opportunity to connect with HFK families, parishioners, and community supporters who value local partnerships.

To participate, please complete our online procurement form or return the enclosed donation form with your item to Holy Family Parish School. To arrange an item pickup, please contact our Development Office at **(425) 827-0444**.

Businesses interested in additional recognition and partnership opportunities are also invited to explore our **Champion Sponsorship Program**. For more information, please contact Meghan Magnano at mmagnano@hfkschool.org.

We recognize that many worthy organizations seek the support of our local business community. Thank you for considering Holy Family Parish School and for helping us continue to provide an exceptional Catholic education for generations to come.

Sincerely,

Holy Family Parish School Parent
