Hi KMS Families,

Help treat the KMS Teachers! Parent/Teacher (P/T) Conferences are on Wednesday, November 11th from 2:00pm to 6:00pm. With school in the morning, that makes for a very long day for the teachers and staff! We'd like to help make the day a little easier by providing a Dessert Bar (there'll be about 80 staff).

There are several options for helping if you are able (sign up HERE):

- Sign up to make a Dessert
- Donate store bought items
- Give your time to help set up the donated items in the staff lounge or help clean up afterwards.
- If you don't have time, you can donate an amount for something, and we'll do the work to purchase it! (See instructions below)

To donate an amount:

Use this LINK to donate a denomination that works for you. All amounts donated here will go directly to KMS teacher and staff treats.

Thank you for supporting our KMS School Teachers and Staff!

KMS Fall Conferences

Fall Conferences will take place on Wednesday, November 11th from 2:00 - 6:00. At KMS, students lead their parent conference. We believe students understand and take ownership of learning levels, goals, and progressions further promote growth! Details can be found here

Shakespeare!

Montana Shakespeare in the Schools (MSIS), an affiliate program of Montana Shakespeare in the Parks, has delighted KMS students with engaging performances of Shakespeare's tragedies, comedies, and histories since 2015. This year, MSIS will bring one of Shakespeare's most amusing plays, The Comedy of Errors, to all KMS eighth graders on Tuesday, November 3. In addition, interested students may also choose to participate in acting, language, and music workshops with the actors following the performance.

KMS 8th Grade Neon Dance

Friday November 6th, 7:00 - 8:45. KMS students only.

Join us on the KMS Spring Break Japan 2028 tour!

We have a few spots left, and families can save $300 if they enroll by November 8.

Students will visit the Pokémon Center in Shibuya Ward. They'll also explore Akihabara Electric Town, a hub for tech trends and fans of gaming, manga, and anime. Students will see how Japan's pop culture industries grow and influence the world. They'll also see how traditional culture and modern innovation sit side by side in the same city.
