9/10/2026

Hello AP Students & Parents,

We are excited to share that MHS students who want to take the AP exams for the courses they are enrolled in will be able to take the exam for zero cost to the student. **It is very important that students follow the steps for registering for their exams this year to be able to register without having to pay the standard registration fee.** MUSD will be covering the cost for AP exams for students meeting the criteria outlined in the attached letter. Please read and complete the attached AP test agreement form and turn it into Ms. George in the Counseling office.

To register for **AP exams for Term 1 courses**, students will need to:

1. Complete the attached **AP Test Agreement Form** and return it to the counseling office by **November 5th**. On the form the student needs to select the exams they want to order.
2. Log into the student's **My AP account** (CollegeBoard) and select "**Yes" to ordering an exam** for the course they want to test by **November 5th**. If they don't want to order an exam, they will select "No".

Excerpt from the attached letter:

> Manteca Unified School District (MUSD) is committed to ensuring equitable access to Advanced Placement (AP) exams for all students. For the 2026–2027 school year, MUSD will fully cover the cost of AP exams for students who are currently enrolled or were previously enrolled in corresponding AP courses. Students who have previously been enrolled in an AP course but were unable to take the applicable AP exam (AP US History course/AP US History exam) may be eligible for district payment under the following conditions:
>
> - If the student has not yet taken the AP exam for the course in question, MUSD will cover the cost of the exam.
> - If the student has already taken the AP exam, MUSD will not provide reimbursement or payment for a retake or additional attempt.

If you have any questions, please reach out to your AP teacher, counselor, or me as soon as possible.

Thank you,

Janeen M. George, M.A.
AP Coordinator/ Counselor E-I
