P-TECH IN ACTION

UT SOUTHWESTERN BRINGS REAL-WORLD OPPORTUNITIES TO OUR P-TECH STUDENTS

Exploring careers. Building connections. Creating brighter futures.

Our P-TECH students had an amazing opportunity to engage with UT Southwestern through interactive activities and discussions about careers in healthcare. Students worked together on a hands-on team-building challenge that highlighted communication, problem-solving, and collaboration - skills essential in the medical field.

We appreciate UT Southwestern for investing in our students and helping them see what's possible!

BUSINESS PATHWAY SPOTLIGHT

MONEY MATTERS

BUILDING FINANCIAL LITERACY FOR REAL LIFE

Our Business Pathway students met with a team from Money Matters for an engaging and informative session on financial literacy. Students learned key concepts such as earning, saving, credit, taxes, and smart money habits. The session included real-life examples and practical strategies to help students make confident decisions now and in the future.

A big thank you to the Money Matters team for investing in our students and providing valuable knowledge that will help them succeed beyond high school!

REAL-WORLD KNOWLEDGE

"Financial literacy gives you options, and options give you freedom."
