EVERY P-TECH STUDENT SHOULD:

- Attend required tutoring
- Email professors weekly
- Meet with the assigned progress monitor

COLLEGE PATHWAY CROSSWALKS

What is a Crosswalk?

A crosswalk is a planning guide that shows how a student's Roosevelt High School courses and Dallas College courses work together across four years toward the student's selected degree pathway.

Why This Matters for Families

- It helps students and parents see the college courses planned for each grade level.
- It shows how students progress toward an Associate degree while completing high school.
- It helps families understand why TSI readiness, grades, attendance, and course completion matter.

CROSSWALKS INCLUDED IN THIS ISSUE

Business & Nursing • Class of 2027

Business & Nursing • Class of 2028

Business & Nursing • Class of 2029

Business & Nursing • Class of 2030

Planning Note

Crosswalks are planning guides. Individual student schedules may vary based on academic progress, TSI status, college-course eligibility, and program requirements.
