# After-School Cooking Class

iCook After School

## Cooking Classes for Kids

- Kids will learn how to make healthy and delicious recipes
- Master cooking safety, measuring, mixing, dicing, chopping, zesting and more
- Learn about nutrition and healthy eating habits
- Explore international cuisine
- Further develop social-emotional learning and executive functioning skills

### What We Teach

Culinary Skills

Nutrition

Culture of Food

## This semester's theme: Around the World

- In Around the World, students embark on a global culinary adventure as young chefs exploring delicious dishes from around the world while learning about healthy habits and kitchen safety.
- Kids will build confidence in the kitchen while mastering techniques like slicing, dicing, folding, baking, zesting, and more. All ingredients and supplies are included!
