What is a School-Parent Compact?

A School-Parent Compact is an agreement developed jointly by families, students, and school staff. It explains how we will work together to improve student achievement, support learning at school and at home, and help students meet state academic standards.

Jointly Developed

Families, students, teachers, and school staff jointly developed the 2026-2027 North Clayton High School School-Parent Compact during input meetings held Fall and Spring. Teachers shared strategies for learning at home, families recommended more information and resources about supporting their scholar at home, and students identified supports they need in order to in order to increase knowledge and growth. Their feedback led to revisions with communication support, school goals, and shared responsibilities. Families may suggest changes throughout the year by contacting Parent Liaison Cindy Singleton at cindy.singleton@clayton.k12.ga.us.

Teachers, Parents, & Students – Working Together for Success

As a School, we will...

- Provide instruction aligned with state standards and teacher-led tutoring to address identified needs and prepare students for GMAS.
- Share specific reading, writing, and subject-area practice activities and resources that families can use at home.
- Provide workshops and resources on study routines, GMAS preparation, and graduation requirements.
- Show families how to use Infinite Campus and Canvas to review grades, assignments, attendance, and progress.
- Keep families informed about grades, attendance, assignments, and student progress and discuss each student's progress with families and identify practical next steps for support at home.
- Maintain a safe, welcoming environment and connect students and families with college, career, military, and workforce planning resources.
- Promote student success with extracurricular activities, positive morale events, and supportive learning spaces.

As Parents, we will...

- Monitor and review our scholars grades, assignments, and attendance through Infinite Campus and Canvas and discuss their progress with them.
- Use school-provided practice activities and strategies to support reading, writing, and other course skills at home.
- Communicate with teachers when issues arise and attend parent-teacher conferences and parent workshops when possible.
- Help our student maintain good on-time attendance and establish a regular homework and study routine.
- Support our student's academic progress, have them attend recommended tutoring and stay on-track for graduation.

As Students, we will...

- Attend classes regularly and on time, come prepared, participate, and complete assignments.
- Regularly check our grades and assignments in Infinite Campus, Canvas, and other learning platforms. attendance, and academic progress.
- Ask teachers, counselors, and/or staff for help when needed and attend recommended tutoring.
- Share assignments, progress, and concerns with our families and track our graduation requirements.
- Respect others, follow school expectations, ignore and report conflicts to a trust adult, and help maintain a positive environment.
