Reitz High School

Sophomore and Junior Enrollment

Class of 2029 and 2030

Access to Tonight's Presentation

- Will be posted on our Reitz Website
- Sent in an email to students and parents

Agenda

1. Introductions
2. Indiana Diploma Requirements
3. Course Selection Process
4. Helpful Information
5. Resources

Reitz Guidance Counselors

Carey Hudson

All 9th

Kari Stein

10th, 11th, 12th,
Last Names A-F

Libby Baker

10th, 11th, 12th
Last Names G-N

Sue Rolley

10th, 11th, 12th,
Last Names O-Z

Our Counselors are here to help track graduation requirements, consult on course planning, monitor grades, assist with college and career planning, and much more.

Informational Packet

Handouts

- Indiana Diplomas
- Sophomore or Junior Course Enrollment Form

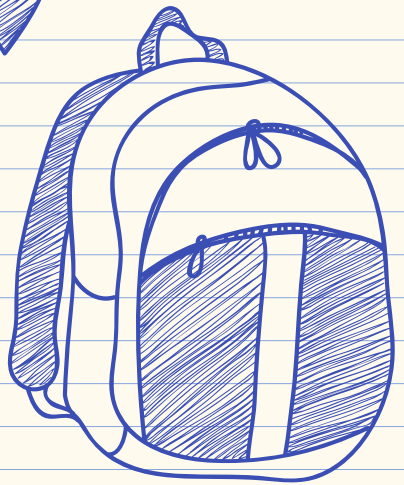

Handouts available on Reitz Counseling

Agenda

1. ~~Introductions~~
2. **Indiana Diploma Requirements**
3. Course Selection Process
4. Helpful Information
5. Resources

Indiana's New Diploma

- Choice of 3 Diplomas
  - Base Diploma
  - Honors Seal
  - Honors Plus Seal

- Choose from 3 Postsecondary Goals:
  - Enrollment
  - Employment
  - Enlistment

BASE DIPLOMA

English	8 Credits	2 Credits English 9 1 credit communications-focused course (Speech -Sem 2 10th Gr) 5 additional English credits
Math	7 Credits	2 credits Algebra I 1 credit Personal Finance 4 additional math credits
Science, Technology, and Engineering	7 Credits	2 credits Biology I 1 credit Computing Foundations (10th Gr) 2 additional science credits 2 STEM-focused credits
Social	5 Credits	2 credits World History or World Perspectives 2 credits US History

BASE DIPLOMA

PE/Health	2 Credits	1 credit PE 1 credit Health
College/Careers	1 Credit	1 credit Preparing for College & Careers (PCC) (8th grade or 9th grade)
Personalized Electives	12 Credits	Students are encouraged to align these electives to their unique goals. Personalized electives can include fine arts, Career/Tech Education (CTE), and World Languages.
Total	42 Credits	

Enrollment

Honors Seal or Honors Plus Seal

Enrollment Honors Seal

The Enrollment Honors Seal closely aligns with admissions standards at most 4-year colleges and universities. *See the RHS Guide to College Admissions*

World Language	**Complete 4 credits**, of the same language. Some selective colleges expect 3+ years.
Social Studies	**6 credits**, including 2 World History, 2 US History, Government, and one additional SS credit
Math	**8 credits**, including Algebra I, Geometry, Algebra II, and advanced math credits beyond Algebra II
Science	**6 credits**, including Biology I, Chemistry I, and advanced lab science

Enrollment Honors Seal

Earn high school credits in Advanced Placement (AP) and/or Dual-credit (DC) courses with an opportunity to earn college credits

➔ Complete one of the following:
- 4 credits in AP courses and take corresponding exams
- Earn 6 college credits

  or
- Or 2 AP credits and 3 college credits

Earn a C or higher in ALL courses and earn a cumulative GPA of 3.0 or higher

Employment

Honors Seal or Honors Plus Seal

Employment Honors Seal

Career Prep

Complete one of the following:

CTE Pathway at RHS

CTE Program at SICTC

An approved locally created pathway

Work-based learning

Complete 150 hours of work-based learning.

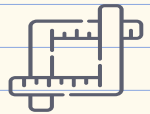

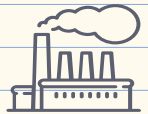

May include multiple experiences that are paid, unpaid, on-site, or simulated

Employment Skills

Meet attendance goals

Demonstrate skill development in:

- Communication
- Collaboration
- Work Ethic

Enlistment

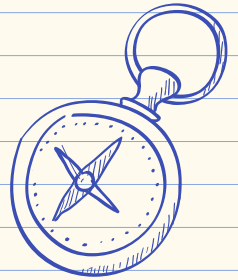

Honors Seal or Honors Plus Seal

Enlistment and Service Honors Seal

Enlistment Honors Seal student would consider attending JROTC, an EVSC innovative model at Harrison.

✓ Students interested in a US Service Academy should consider both the Enrollment Honors Seal and the Enlistment Honors Seal

Honors Plus Seal

In order to earn Honors Plus Seals a student must complete everything for the base diploma, the Honors Seal and then the additional requirements for Honors Plus Seals.

- Associates Degree (EC)
- Technical Certificate (SICTC)
- Indiana College Core (Reitz or EC)
- AP Scholar with Distinction (earn a 3 or higher on 5 or more AP exams)
- Work Based Learning Hours

Students interested in an Honors Plus Seal should discuss with their counselor to be sure they are registered for appropriate AP courses

Agenda

1. ~~Introductions~~
2. ~~Indiana Diploma Requirements~~
3. **Course Selection Process**
4. Helpful Information
5. Resources

Typical Sophomore Schedule

1	English 10 or English 10 Honors / Speech or Speech Honors
2	Math
3	Science
4	World History/AP World History
5	Computing for Digital Age/Elective
6	Choice: Principles Class (Employment Honors Seals) or Choice of Elective (Enrollment Honors Seals)
7	Choice: World Language, Fine Arts, Tech, Bus,FACS

Sophomore Scheduling Considerations

World Language

2 Years required for the Enrollment Honors Seals.

Recommended for 4-year college bound students.

Spanish III is dual credit course.

World History

Students have the option to take World History or Advanced Placement World History.

They can also take AP Human Geography as an additional elective if interested.

PE/PCC/Health

PE, Health, and PCC are all required and should be finished by the end of Sophomore year.

Science

Students can take Integrated Chemistry Physics, Chemistry, Chemistry Honors or AP Chemistry. Students need to have completed Algebra II before taking AP Chemistry.

CTE Pathway -- Principles Classes

Business/ Marketing

Principles Business Management

Marketing Fundamentals

Digital Marketing

Teaching

Principles of Teaching

Child and Adolescent Development

Teaching and Learning

Construction

Principles of Construction

Construction Trades: Carpentry

Construction Trades: Framing and Finishing

Fine Arts

6 credits of same Fine Arts area (Band, Art, Choir, Orchestra, Theatre) with a C average or higher

2 credits Principles Teaching or PBM

Portfolio

Sample Sophomore

Base Diploma	Employment Honors Seal	Enrollment Honors Seal 4-year college
1 - English 10 2 - ICP/Chemistry 3 - Geometry 4 - World History 5 - Computing/Elective 6 - CTE Principles Course 7 - Elective Choice	1 - English 10 2 - ICP/Chemistry 3 - Geometry/Alg II 4 - World History 5 - Computing/Elective 6 -CTE Principles Course 7 - Elective Choice	1 - English 10 (Honors) 2 - Chemistry (Honors) 3 - Algebra II (Honors) 4 - (AP) World History 5 - Computing/Elective 6 - Spanish III 7 - Orchestra

All students need to have completed PE, PCC, Health, and Computing in a Digital Age before the end of 10th grade.

Typical Junior Schedule

1	English 11 or AP Language
2	Math
3	Science
4	AP US History (if not taken US History in 9th) or Choice
5	Principles Class (Employment Honors Seals) or Choice of Elective (Enrollment Honors Seals)
6	Choice
7	Choice

Junior Scheduling Considerations

SICTC

Student will attend SICTC or their Innovative Model in the morning and will take 4 classes in the afternoon- English, Math, Science and AP US History if they have not take it Freshman year, or an elective

Choice

Juniors who do not attend SICTC, will have room for several electives or AP options. This is an opportunity to take classes of interest, that they might not have had room to take advantage of during 9th or 10th grade.

Sample Junior Schedules

Base Diploma	Employment Honors Seal	Enrollment Honors Seal 4-year college
1 - English 11 2 - Environmental Science 3 -Algebra II 4 - CTE Course 5 - Elective Choice 6 - Elective Choice 7 - Elective Choice	1 - English 11 2 -Physics 3 - Alg II 4 - Elective Choice 5 - SICTC 6 -SICTC 7 -SICTC	1 - AP Lang 2 - Physics 3 - PreCalc 4 - (AP) US History 5 - Elective 6 - Spanish III CC 7 - Orchestra

Scheduling Timeline

Nov 9 through Dec 1	Counselors meet with students 1:1 in English classes *If a student takes English at an innovative model, they will send a call slip for them to meet
Late March/ Early April	Verification of course selection sent to each student. Students may request changes at that time.

Agenda

1. ~~Introductions~~
2. ~~Indiana Diploma Requirements~~
3. ~~Course Selection Process~~
4. **Helpful Information**
5. Resources

Advanced Placement

National College Board program. Teachers must follow AP curriculum and submit syllabus for approval by the College Board.

AP courses and exams, while rigorous, don't automatically result in college credit. Student must pass the standardized AP Exam in May.

Students who earn a score of 3 or higher will receive college credit at any Indiana public institution. Most colleges and universities award credit.

Dual Credit

Courses in which students can earn both high school and college transcripted credits with a partner university.

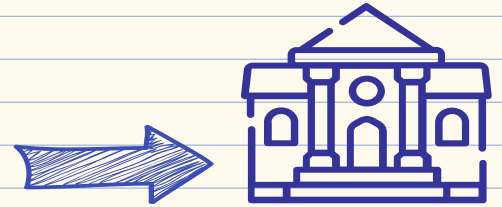

Course is taught the same as the course on campus.

Upon graduation, student requests the college transcript to be sent to their college of choice.

Receiving college determines if/how credits are transferred, often depending on student's chosen program of study.

Indiana College Core

30 credit hours guaranteed to transfer

The Indiana College Core is a block of 30 credit hours of general education, college-level coursework which is guaranteed to transfer between all Indiana public colleges and universities.

- Fulfills a Credential of Value needed for Enrollment and Employment Honors Seal Plus
- Can be earned at EVSC Early College
- Reitz will have specific coursework for students interested in earning the ICC

INDIANA COLLEGE CORE

Southern Indiana Career & Technical Center

- Architecture and Engineering
- Automotive Collision Repair
- Automotive Service Tech
- Building Construction Tech
- Computer Sci Software Dev.
- Cybersecurity
- Culinary Arts

Things to Know...

Earning Credit

- Students receive one credit each semester for each class.
- Students have an opportunity to earn 14 credits per year, 56 over the course of four years.
- Must pass required classes with a **D** or above to earn credit.
- Required classes must be repeated if a student receives an **F** for the semester.
- Must maintain a **C** average in CTE Pathway courses
- Athletes must pass at least 5 classes each grading period to be eligible for IHSAA sports participation, dances, and other school honors.

Final Exams

- Be mindful when planning vacations or planned medical procedures. Students will have final exams the last week of each semester.
