SCHOOL BOARD BASICS

RESPONSIBILITIES OF SCHOOL BOARD

GOALS

The board establishes the goals and vision of the district, with input from the community, and evaluates the results.

POLICY

The board develops and approves rules to help schools operate for student success.

SUPERINTENDENT

The only employee the board supervises and evaluates. Day-to-day school operations are delegated to this position.

BUDGET

Approves the budget proposed by the Superintendent and ensures funding supports district goals.

ADVOCACY

Shares district information with local legislators and the community to secure resources for student success.
