

Summer@Taft

Student Handbook

2027

Welcome to Summer@Taft!

Dear Summer@Taft Students and their Families,

We are thrilled to welcome you to an exciting and enriching summer experience at Taft School! Whether this is your first time with us or you're returning for another summer of learning and growth, we are so happy to have you as part of our community.

We understand that starting something new can sometimes feel a bit nerve-wracking, but we want you to know that you are not alone. You'll have plenty of support every step of the way. You'll not only have a roommate and the companionship of your dormmates and classmates, but you will also have an advisor, dorm parents, and dedicated teachers who are all here to help you succeed. Our goal is to ensure that you grow academically, socially, and personally throughout the summer.

This handbook is an important resource, and we encourage both students and families to read it carefully. It outlines the expectations and rules for the summer term, and we ask that you familiarize yourself with it. Abiding by these guidelines will help ensure a positive, respectful, and enjoyable experience for everyone.

As you settle into your time at Taft, remember to be kind to one another and give your best effort in everything you do. Summer is a wonderful opportunity to learn new things, form lasting friendships, and discover new strengths within yourself. So, work hard, be yourself, and most importantly, enjoy the journey ahead!

We look forward to a fantastic summer with you!

Warmly,

The Summer@Taft Team

The Honor Code

No principle is more essential to all that we do than that of honesty. A student's word on any question of conduct will be taken as a matter of fact. Students pledge all tests, quizzes and papers, affirming that they have done their own work and neither given nor received aid. Any evidence of dishonesty in any area of a student's life here will be viewed as unacceptable.

Statement of Inclusion

The Taft School is dedicated to providing a welcoming and safe environment in which all community members value and respect each other's unique qualities and contributions. We are committed to nurturing a learning environment where the principles of dignity, equity, and justice are an essential part of our culture and daily life. We encourage student exploration and we affirm our promise to honor individuality, celebrate our differences, and embrace our connections with each other and the global community.

Fundamental School Rules

- Students must demonstrate honesty and integrity in all their relationships in the School. As the community is based on mutual trust, any student found to be lying, stealing, or cheating will most likely be dismissed.
- The use or possession of alcoholic beverages or illegal drugs under any circumstances is forbidden. Any student considered to be under the influence of any substance, possessing paraphernalia (including vaporizers) intended for use in the consumption of drugs or alcohol or showing signs indicative of substance use will be considered in violation of the rule. Students who are present when this rule is violated will be guilty of complicity and will be eligible for dismissal. Students are considered to be under the School's jurisdiction at all times unless they are away from campus on an approved weekend. Returning from a weekend under the influence of any substance is considered a Major School Rule Violation. Students in violation of this rule will be dismissed.

- Students may not operate motor vehicles or travel in unauthorized motor vehicles while under the School's jurisdiction. Students may travel only in School vehicles or vehicles driven by their parents. Students may not use vehicle sharing services (including Lyft and Uber). If a parent wishes to give permission for a student to drive with anyone other than a relative over the age of twenty-one, the Director or Program Administrator must be notified in **writing** by completing and signing the appropriate form. Email is not acceptable.
- Students may not smoke in their rooms, anywhere on campus, or in Watertown. In addition, they may not smoke on School trips nor at any time while under the School's jurisdiction. **Students found smoking in their rooms or inside any school building will be dismissed.** Additionally, students may not use chewing tobacco or any form of smokeless tobacco; those violations may result in dismissal.
- Students may not use e-cigarette devices and will be dismissed if in possession or using any such devices.
- Students who intentionally tamper with or pull a fire alarm will be dismissed.
- Students who in any way create a fire hazard will be found in violation of a Fundamental School Rule. Any open flame is considered to be a fire hazard. Use of candles or matches is forbidden. Possession or use of fireworks is a fire hazard. Illegal appliances forming fire hazards include toasters, clothes irons, hot pots, and hot plates.
- Possession or use of firearms and other weapons is a violation of a Fundamental School Rule. This includes, but is not limited to, firearms, BB guns, pellet guns of any kind, paint guns, martial arts weapons, knives of any size, and any other object that is designed primarily to be a weapon. For any violations of this Fundamental School Rule, students will likely be dismissed.
- Students may not visit with members of the opposite gender in their rooms or anywhere in the residential corridors. Flagrant violations of this rule are grounds for dismissal.
- Students may not engage in reckless acts that expose others and themselves to an obvious risk of serious injury. For instance,

going out on the roofs of the school building is a violation of this rule.

- Students may not tamper with the fob system or locks.
- Students are expected to be present and on time for class, meetings and sports blocks. Repeated tardiness and unexcused absences are unacceptable and may result in dismissal.
- Students who do not comply with the School's Acceptable Use of the Taft Network policy as defined in this handbook are in violation of a Fundamental Rule.
- Boarding students may not visit private homes in Watertown, **including** homes of day students. If a boarding student wishes to visit the home of a day student, they must follow the following procedure:
    - The day student's parent(s) must inform (in writing or person) the Director or Program Administrator that the boarding student has been invited and that the parents will be at home during the visit.
    - The boarding student must have his/her own parent(s) notify (in writing) the Director or Program Administrator that the boarding student has permission to visit that day student's home.
    - The Director must give permission.
- Students found to be on private property in Watertown without permission, for **any** length of time, will be considered in violation of Fundamental School Rules.
- The trips taken by Summer@Taft are for the enjoyment of the entire community. Students are expected to conduct themselves in a polite, cooperative manner, and they must abide by all School rules.
- Prescription drugs must be kept in the Health Center. Students found possessing prescription drugs without specific permission from a nurse at the Health Center are in violation of the Alcohol/Drug Rule.
- **Any student who is dismissed from the program for a fundamental rule infraction shall not receive any end-of-the session reports.**

Harassment and Bullying

All members of the community have the basic right not to be harassed or bullied. The Taft School prohibits any form of bullying or harassing behavior, whether in the classroom, on the campus, or at Taft events. Such behavior occurring outside of a school setting that has a negative and direct impact on a student's academic performance or safety in school is also prohibited and may be subject to school discipline. Demonstration of appropriate behavior, the treatment of others with civility and respect, and the refusal to tolerate harassment or bullying is expected of administrators, faculty, staff, volunteers, and students.

Bullying is any gesture or written, verbal, graphic, physical (including electronically transmitted acts) or other overt act by a person committed more than once against another person with the intent to ridicule, harass, humiliate or intimidate the other person.

Harassment entails behavior that is inappropriate and should not take place through ignorance or thoughtlessness. The School recognizes and respects individual differences in background in regard to culture, race, ethnic origin, religion, gender and sexual orientation. Inappropriate behavior, either verbal or physical, that demeans or offends others is unacceptable. This includes, but is not limited to, unwelcome physical advances, unwarranted verbal remarks, derogatory statements or discriminatory comments, and can occur between two individuals or groups of individuals. Forms of harassment include, but are not limited to written and oral remarks, remarks posted online or to the campus computer network, and messages left on voice mail systems. Telephones, email, and other forms of electronic communication may not be used to harass or bully others through anonymous calls or postings, repeated unwanted calls or messages, or obscene calls or postings.

Procedures for Addressing Harassment and Bullying

Both harassment and bullying will be regarded as a violation of a major School rule and will be treated accordingly. Individuals might unintentionally act in a manner that others experience as harassing or humiliating. Attempts to justify such behavior as a "prank" or "joke" do not change its harassing or bullying nature if the object of the joke is not a willing participant. Whenever possible, explaining the unwelcome and inappropriate nature of the behavior to the offender should precede more formal action.

Any student who feels victimized by harassment, bullying or who is concerned about such behavior is encouraged to consult with any trusted adult, such as a classroom teacher, an advisor or the Director.

Given the wide range of behavior that constitutes harassment and bullying, cases will be considered on an individual basis by the Director. Disciplinary responses, when called for, will be determined at the discretion of the Director. Dismissal may be warranted particularly when behaviors demonstrate a serious disregard for the welfare of other individuals or the community as a whole. It is critically important that the School supports and protects any individual who raises a complaint. Retaliation against someone making a complaint about harassment or bullying is unacceptable and will be subject to a disciplinary response if found to be a valid claim of retaliation by the Director or his designees. Any disciplinary response will be determined by the Director and may include possible dismissal for a student, or the termination of employment for an adult.

Dormitory Regulations

Responsibility for conduct and life on the corridor rests primarily with the individual. It is assumed that students have the ability to cope with such freedom and will not abuse it, and that students have the maturity to pursue their own day-to-day lives in a self-regulated coexistence with others. Independent schools require a level of independence.

General Rules

- Students must be inside the buildings at 7:25 PM for Study Hall and under no circumstances may they leave the School grounds after this time. Furthermore, they may not leave the central part of campus (designated by the academic and dormitory buildings and immediate grounds, thus the athletic grounds are NOT part of central campus), after 7:25 PM unless permission is granted by a faculty member. Students with the permission of the Director and/or Duty Officer, may walk (and walk only) to town after sports, but they must return to campus by 7:00 PM. They also must be accompanied by at least one other student and have a cell phone available.

- Students are not to be off corridor after lights. Failure of students to be on corridor after lights will be treated most seriously.
- It is absolutely essential that relative quiet be maintained on the corridor at all times to allow those who wish to study or sleep to do so.
- Each student is allowed to use personal audio equipment (e.g. AirPods). Audio must be played **through earphones** except from 2:30 PM to 7:30PM on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, NOON to lights on Saturdays, and until 7:30 PM on Sundays. In addition, students are NOT to use earphones while walking around campus. At those times, audio may be played through external speakers, but **not so loudly as to disturb anyone.** Neglect of such standards will result in confiscation of the equipment. Students are not to use personal audio equipment except on their dormitory corridors and outside the buildings.
- Aside from computers, radios, stereos, electric clocks, hairdryers and fans, NO other types of electrical appliances are allowed.
- Out of consideration for the faculty and their families, students are not allowed to use the School elevators without an infirmary excuse.
- Possession of firearms, knives and other dangerous items is strictly prohibited.
- Under no circumstances may pets be kept by students in School buildings.
- Students may not, under any circumstances, be out on the roofs of School buildings, since the School cannot take responsibility for such activity. Students who abuse this regulation may be asked to withdraw.
- Evening supervised room study is held from 7:30 to 9:30 PM Sunday through Thursday (and some Fridays) with residential programming 9:00 to 9:30 PM.
- Bicycles, skateboards, and rollerblades are not permitted.
- Students are not allowed to gamble (for money or fun).
- Students, for their own safety, may not enter construction areas.
- Students may not be in the school pond for any reason.

Directions for Care of Rooms

Rooms should be kept generally clean, as fire insurance and standards of health demand it.

- Beds are to be made daily—a ritual as defined as at least an effort to neaten and straighten the bed coverings.
- All clothing is to be neatly put away and not left on the floor.
- Uncovered or spoiled perishable food is not to be stored in rooms.
- Liquor bottles and/or beer cans may not be used as decorations in student rooms. Students may not wear such logos or images on their clothing.
- Floors are to be cleaned and wastebaskets are to be emptied daily, unless other arrangements are made for removal of refuse.
- Any alteration of School furniture is prohibited.
- School furniture may not be moved from room to room nor from corridor to corridor.
- The use of tacks and nails is limited to the molding. No paste, adhesive-type tape or scotch tape is permitted anywhere; these adhesives pull paint off after extended contact. A putty-like compound may be used directly on the wall.
- Halls must be kept clear at all times. Clothes should not hang outside of the buildings.
- Please refer to Fundamental School Rules in regard to directives for open flames or other fire prevention.
- Room inspections will be performed by dorm faculty regularly.
- Students will be expected to leave their dorm room in the same condition as they found it upon arrival-neat, clean and orderly. All trash and personal items must be removed from the room, the floor must be swept or vacuumed, windows closed, and lights turned off. Additionally, all original Taft furniture needs to be in the room. Please know that if students leave their room in an unsatisfactory state (such as leaving trash on the floor, walls having the paint torn off, items left in drawers, etc.), Taft may charge the student's family for cleaning or repair costs.
- Fobs must be returned to the Summer@Taft office on the last day of the attended program. Failure to do so will result in a $20.00 charge for any missing fob.

Dining Rooms

Our dining hall staff is dedicated to providing good food in a pleasant environment. They work hard to serve you well, and students are expected to respect the dining room and the kitchen staff; they are integral parts of the summer program. Students are expected to converse normally in the dining hall and NOT play music or speak so loudly as to disturb other people. Once they have finished eating and have cleared their tables, students are to leave the dining hall so others may eat and so that the kitchen staff may get the dining rooms ready for the next meal. Hours of the dining hall are posted and should be obeyed. **Students may not remove any food, utensils, plates, or cups from the Dining Hall.** In addition, students and faculty must utilize the appropriate sitting area and/or wing of the dining hall designated for Summer@Taft.

Permission and Weekend Procedures

Students wishing to leave the campus for Saturday Weekends or for Day Permissions (after School commitments) may do so if they follow the appropriate procedure. First, the student must have his or her parent notify the Director or Program Administrator, giving permission for the student to leave campus and approving the student's destination and means of transportation. The student must file a Weekend or Day Permission card with the Director. For Saturday weekend requests, both the card and the permissions must be received no later than **NOON** on the **Thursday** prior to the weekend.

If a student intends to visit the home of another Summer@Taft student, he or she must have the host's parents notify the Director or Program Administrator of their approval to visit.

Students wishing to leave Watertown for Day Permissions must have their parent notify the Director or Program Administrator, approving both the destination and the means of transportation. Students given permission for such a trip must file a Day Permission card with the school duty person prior to leaving the campus. Students may not leave until after their last scheduled commitment and must return before 7:00 PM, signing their card upon arrival.

Obviously, special circumstances can arise, making it necessary for a student to be away from School for a longer period of time. In such

cases, the parents should contact a Director or the Program Administrator and make special arrangements.

Cell Phone Policy

Students are permitted to have cellphones, but at Taft we value face-to-face interaction. As such, it is not appropriate to make calls or text in public on campus or listen to music with headphones and ear buds. This includes, but is not limited to, classrooms, school hallways, the walkways and outdoor areas around campus, dormitory common rooms and the gym. Calls should be made in private spaces such as a student's room, subject to other applicable rules and regulations. Because cell phones have many uses, students may use their phones in public for such activities as checking the time or their calendar, but any activity that interferes with face-to-face communication is discouraged. Cell phones will be collected at the beginning of each class. If a cell phone interferes with class or any other academic setting, the phone may be confiscated and turned into the Summer@Taft Office.

Weekend Activities and Trips

All boarding students (unless on weekend permission) will be required to attend the weekend trips and activities. Those events are organized by Summer@Taft for the enjoyment of the students. There will be faculty chaperones on all trips off campus and students are assigned a chaperone. Students' time on those trips is monitored and structured. However, there will be some times during the course of the trips when students will be on their own and not under direct faculty supervision. In most circumstances, those periods of time will be confined to a specific location including, but not limited to, a theater, museums, aquariums, malls, restaurants, or boats.

The Hulbert Taft, Jr. Library

The library is a beautiful space and a wonderful resource that supports the academic, cultural and recreational interests of the community. The library staff is always ready to answer questions, assist with research, or recommend books for leisure reading. The library maintains a wide variety of print resources as well as electronic databases which you can access on your laptop or other personal device anywhere on or off campus using your Taft network username and password.

The library's Best Sellers Collection and Young Adult Collection provide many options for recreational reading. Check the library's "Fun Zone" recreational corner in the Reading Room where you'll usually find a jigsaw puzzle in progress as well as a comic book and games for use in the library. There's also a basket of coloring pages for de-stressing that you can take with you.

We do ask you to help maintain a comfortably quiet atmosphere conducive to research, study, reading, or reflection; this includes silencing your cell phone and stepping out of the library should you need to take a call/video chat, etc. Those who violate the spirit of the library will be made aware of the infraction and asked to make necessary corrections. Repeated violations may lead to the loss of library privileges or disciplinary action.

Borrowing Library Materials

We encourage you to register for a library card so you can borrow books and other materials, such as DVDs. Books check out for the duration of the summer program term, with a due date in the final week of the program. DVDs may be borrowed for 7 days or until the final due date (whenever is earliest) as can an external computer DVD/CD drive and adapter if needed. Please note that print encyclopedias and other reference books are for use in the library only. Many of these reference sources are also available electronically in library databases and can be accessed on and off campus using your Taft network username and password.

Items lost or not returned by the end of the program will be billed at the current replacement cost plus a processing fee of $5.00.

If you have any questions, stop by the library circulation desk or email summer@taftschool.org.

Library Computers and Printers

The library has a small number of network desktop computers, as two network printers, one of which doubles as a printer/copier/scanner. You may print to these printers from the library desktop computers and the Taft IT department provides instruction on how to print from your laptop or personal device. There is no charge for printing.

Library Hours

Monday-Friday	7:45 AM to 9:00 PM*
Saturday	CLOSED
Sunday	4:00 PM to 9:00 PM*

*Only those students who have a written permission signed by their teachers **AND** who have signed out of the dorm will be allowed to use the library for study and computer use during Study Hall. Students using the library must sign in when they return.

Computer Facilities

- The computers in the library are the only computer facilities available to Summer@Taft students.
- Students may not eat or drink in the library, especially at any computer site.
- Quiet must be always observed and students are to treat the computers with respect.
- Students found to be using the computers inappropriately, particularly the Internet, will face disciplinary action.

Acceptable Use of Technology Policy

ACCEPTABLE, APPROPRIATE USE OF THE TAFT NETWORK:

It is the policy of The Taft School that computers, network services, and electronic devices are used in a responsible, ethical, and legal manner that aligns with The Taft School's mission. Access to The Taft School's IT resources is a privilege, not a right, and is granted primarily to support curricular, learning, and job functions.

Technology should be used to support learning, teaching, research, communication, operation, and collaboration at The Taft School. Students, Staff, and faculty are encouraged to explore and developinnovative technology uses while adhering to ethical and legal standards.

All users—including students, faculty, staff, contractors, and guests—must adhere to this policy. Any communication, behavior, or

action inappropriate in person is equally inappropriate when using electronic systems. This document does not constitute the totality of The Taft School's IT Department policies.

For questions about this policy, contact The Taft School IT Department at 860-945-7990 or itsupport@taftschool.org.

General Unacceptable Use of the Network For All Users:

Unacceptable uses include, but are not limited to:

- **Unauthorized Access:** Using another's credentials, attempting to bypass security, or gaining unauthorized access to systems or files.

- **Privacy Violations:** Sharing private or personal information of students, employees, or others without consent.

- **Harassment:** Using the network for cyberbullying, harassment, or offensive communication.

- **Inappropriate Content:** Accessing, downloading, storing, or sharing illegal, obscene, or offensive material.

- **Copyright & Plagiarism:** Copying, distributing, or using copyrighted material (including software, media, and academic work) without permission.

- **Commercial & Illegal Activity:** Using the network for financial gain, unauthorized business transactions, or illegal activities.

- **System Disruption:** Degrading network performance, excessive bandwidth consumption, unauthorized software installation, or introducing malware.

- **Communication Violations:** Reposting personal communications without consent.

- **Peer-to-Peer & Unauthorized Downloads**: Using BitTorrent or similar services to unlawfully download copyrighted content.

- **Networking Equipment:**

Personal Wi-Fi networking equipment such as routers, access points, network extenders, etc.

Personal file servers, network-attached storage (NAS) devices, or other devices that facilitate large-scale file sharing.

- **Unauthorized AI Use:**

Using Generative AI to deceive, plagiarize, or engage in academic dishonesty. AI use must align with The Taft School's ethical and educational standards.

Using Generative AI to mislead, fabricate, or misrepresent work is prohibited.

Additionally, employees must not input, share, or process sensitive, confidential, or personally identifiable information in AI tools. AI use must align with The Taft School's professional, ethical, and data security standards.

- **Administrative Determination:** The Taft School IT Department and other Campus Administrators may make case-by-case determinations of unacceptable use.

Violations of the Acceptable Use Policy may result in disciplinary action and can be grounds for dismissal.

School Store and Student Bank Hours

Monday through Friday	8:00 AM to 3:00 PM (Taft bookstore)

Student Union

Monday through Friday	4:00 PM to 7:00 PM
Saturday	8 AM to Lights
Sunday	10 AM to 7:00 PM

Summer@Taft (Monday-Friday**) Schedule 2026**

8:00-8:30 am	Community Meeting
8:30-9:15 am	Class
9:30-10:00 am	Community Time
10:00-10:45 am	Class
11:00-11:45 am	Class
12:00-1:00 pm	Lunch
1:00-1:45 pm	Electives Class for 2-week Programs
2:00-2:45 pm	Flex
3:00-4:30 pm	Athletics
5:00-6:00 pm	Dinner
6:30-7:30 pm	SSAT or SAT Prep
7:30-9:00 pm	Study Hall

9:00-9:30 pm	Dorm Bonding

*Wednesdays afternoons, there will not be sports. Instead, students and faculty will participate in off-campus bonding experiences including hikes, bowling and local amusement parks.

Weekends

Saturdays	Educational trips and activities including Bronx Zoo and NYC
Sundays*	Relaxing, studying, visiting the mall, connecting with friends

*Religious services are available. See next page.
