Have you started a pathway at Northview? Did you know we have 14 pathways and TWO new pathways starting next year? Cybersecurity and AI are two exciting new pathways to extend your learning in technology. You can start any of our pathways as a rising sophomore, rising junior, and even a rising senior—you may only get one year in on the pathway, but in one year you can learn a lot and gain some experience in the medical field, or in engineering, or accounting, marketing, art, drama, jazz band…the list goes on and on…
YOU want to learn more? Join us November 4th from 6:00pm through 7:30pm at the Northview Experience. Bring your parents and younger siblings and learn all that Northview has to offer.
We are 25 years of excellence this year—come be part of that legacy! See you Nov 4th!

Registration is open for the Fulton County Technology Competition!
If you would like to enter, please see Mr. Paul in the Media Center before the end of school on Thursday, November 12.

Menchies fundraiser – The Muse, Northview's literary arts magazine, is hosting a Menchies frozen yogurt fundraiser this Thursday Nov. 5 in the hallway outside the media center during lunch. The cost is $6.00.
