Pasadena Unified School District

Longfellow Children Center

2017 Drinking Water Lead Testing Records

Laboratory results not located. This packet contains supporting sampling records only. It does not establish the results of testing. The results report is still needed.

Documents included

Longfellow CC | page 2

Sampling location photographs | pages 3-4

Site map | page 5

Select a document above to jump to it. Original reports are reproduced in full; Word and Excel supporting records have been converted to PDF.

Historical records only. These documents describe the samples and conditions recorded in 2017, not every outlet or current water conditions. Separate 2023 preschool testing is not included.
