Memorandum of Agreement Between
Snoqualmie Valley Education Association and
The Snoqualmie Valley School District
RE: Co-Curricular Items

The District and Association agree that an error in preparation of the Collective Bargaining Agreement ("CBA") occurred and two agreed upon items regarding co-curriculars were inadvertently omitted from the CBA. The updated language is below and will be corrected in the online CBA, in addition to the inclusion of this MoA.

New language:

26.9.3 High School Pep Band During Playoffs: If the high school band performs at basketball or football games that occur as part of an extended athletic season, the director will be paid an additional $150 stipend per event outside of the school day, if required to attend by building administration.

26.9.4 Co-curricular schedule experience: Experience as a co-curricular advisor in another school district will be considered for salary placement on the co-curricular schedule through a verification of employment form provided by the District. Only experience for the same co-curricular program will be considered, i.e.: band for band, DECA for DECA.

These items are renumbered:

26.9.5 Co-Curricular Salary Schedule: Employees serving in a co-curricular position shall be paid according to Appendix D for the duration of this Agreement or as amended by mutual agreement of the parties. In 2026-27 the base amount for computing co-curricular salaries shall be $34,443. Salary increases over the life of this contract are listed below. The state inflationary measure is the inflationary adjustment index used by the state in revenue formulas for certificated instructional staff, currently the implicit price deflator (IPD).

26.9.5.1 2026-27: an increase of the state inflationary measure (2.6%).

26.9.5.2 2027-28: an increase of 1%, with a new base of $34,787.

26.9.5.3 2028-29: an increase of 1%, with a new base of $35,135.

26.9.6 Protocols and procedures for establishing co-curriculum sponsored activity are found in Appendix E.

This Memorandum of Agreement remains in place through the life of the agreement or until superseded by another MoA, whichever comes first.
