GOOD NEWS

Student Agency Star of the Week

Janae is a **Star Student at CSES**! In a few short years, she has exceeded expectations in all areas of academics. **She is consistently positive and expresses enthusiasm for school, learning, and her peers.** Her growth has even surprised her as she works on increasingly complex math and reading concepts, reaching levels she never thought attainable.

Her determination and willingness to take on new challenges are a wonderful example of what hard work and perseverance can accomplish.

As a friend, she always shows concern for her peers and is the **first one in class to comfort and support** another student in need.

Janae will be greatly missed when she moves on to middle school next year!

Congratulations, Janae!
