Dear Parent(s) or Guardian(s),

Danville Public Schools (DPS) is committed to giving every student a strong educational foundation for success. We believe that families play a key role in their child's learning, and we welcome your involvement in our schools.

As part of our partnership, we want to keep you informed. You can request information from your child's school about:

1. **Student Progress** – Academic growth and achievement on state assessments.
2. **System Report Card** – School and district performance, graduation rates, student achievement, and teacher qualifications.
3. **School Performance Indicators** - School and Division accountability measures for achievement, growth, attendance, and graduation.
4. **Test Requirements** – State or local policies on required tests.
5. **Parental Rights & Involvement –** How you can be engaged in your child's education and understand assessment policies.
6. **Teacher Qualifications** – Your right to know if your child's teacher meets state certification requirements.
7. **English Learner Programs –** Details about language instruction, assessments, and program benefits.

Our teachers are dedicated to helping your child succeed in school and beyond. Please support your child's education and stay in touch with their teacher regularly. Working together, families and teachers can give your child the best education possible.

For more information, visit http://schoolquality.virginia.gov/ or contact your child's school.

Sincerely,

Tabitha H. Cash

Principal
