3. Additions/Changes to Agenda **(5 min.)**	**Chair**	Agenda as written accepted. Mr. A motioned to approve, Cliff seconded. All voted aye.
4. Reading and Approval of Minutes (5 min.)	**Secretary**	
5. Reports of Officers/Committees (10 min.) **Principal** **DELAC** **PTSA**	**Principal**	
6. Public Comment (2 min.)	**Chair**	
7. Unfinished Business (0 min.)	**Principal**	
8. New Business (45 min.) **26/27 SPSA**	**Principal**	**26/27 SPSA** • School goals: ELA SBAC scores. Students overall increase 3 percent or higher. THis year's math scores go up 3 percent. Based off of the 2025/2026 test. Goal not an expectation. • Math has a new textbook next year for all grade levels. • Absent rate decreases 5 percent.

		• Suspension will decrease 1 percent. • Action plan: chronically absent- point person Mr. Francisco for child welfare for truancy- 10% or more…19th day. Make sure teachers take attendance on time. Robo calls go out asap. PE does not have to turn attendance in because they do not have a computer. Computer generated. • Teacher lead for attendance this year. Possibly continue for next year. Barrera facilitates that. Shout out for attendance from the district to speak to other admin across the district to discuss protocol. • School is getting better • ELA in orange. Math and science are in yellow. • Hoover has to do a lot of interventions and support to be where Hoover is now. • Schools of tomorrow for grade schools- no information about this happening to middle school or high school. • 15 elementaries and 7 middle schools. Lower enrollment across schools. Hoover has a waitlist for students to join. • Site Flex money- used for office supplies. Increase every year and carries over. • Title 1 and supplemental funding are similar to what we had last year. • Parent Request ***have side by side comparison from budget from previous years*** • Grants that the admin has requested…about half a million dollars. • Grants only last for one year and do not roll over and cannot apply for that grant again. Grants only go to what the grant is for and nothing else. • Large population of tier 2 and 3 (has to have highest amount of resources) students based on needs. PD time specifically for management. Conferences. Summer picks up paid hourly rate for volunteers that come in. • Supplemental resources-consumable VPA classes. • $13, 696 for Academic fitness center. • WPA SCORING MIGHT NEED to use site flex money since one of the dates will be optional (fall session)

		• PBIS- software and implementation. About 13k from site flex. • Looking for funding for Little Heroes- grant last year for 50k to cover some. • Might need 40k based on a 10k possible grant for next year. • A possible new program would not work because the district has implemented little heroes throughout. They have a master agreement with the district. Let us continue with coaches that are on site. School will move forward with at least one and try to get two. • Maybe train a parent volunteer so that we still have coverage for students during lunch and brunch. • The ED program will be here next year (emotionally disturbed). Munoz will be in charge of that. 5 classes are in that group and one period is dedicated to PE. • Certificated staff for arts and music the money will be based on the teacher year experience so the money changes. • Need to have coaches and scripts for drama. • Repairs for instruments- TIGS and boosters funds. Minimal amount. 2k for instruments and 2k for repairs. • Prop 28 money for instruments. Some money for coaches and then for art supplies. Whatever is leftover, the money is used for instruments. Manipulatives can be used. But not necessarily coming from prop 28 money but other supplemental funds. There is no current expiration date for prop 28. • No more pacific heroes?? • Focused on 5 students that are on the cusp of passing SBAc to change the trajectory of students (about 100 students total). Meet standard or do not meet standard. Difficult to determine how close they were to the level below or above. NWEA is the baseline– datapoint for teachers to use to make the decision on who to work with. Underfunding with title one schools compared to other districts.
9. Adjournment **(1 min.)**	**Chair**	

Under the Open Meeting Law, no action related to public comment may be acted upon at the meeting. Issues raised at the meeting may be scheduled for another SSC meeting, as approved by the council. Public comment is generally limited to two minutes per person.
