Weekly Faith Talks
Middle School

Date: November 4, 2026

Speaker: Eric Turner

Scripture: Exodus 1-4

Topic: Moses: The God Who Says “I Will Be With You”

Guided Questions:

- Exodus opens with about 400 years when nobody heard from God, but the Bible says God heard, remembered, saw, and knew. Is there something you’ve been praying about where God feels quiet right now?
- When Moses made excuses, God didn’t give him a pep talk or remind him how great he was. He reminded Moses who God is. Why does that help more than hearing “you’ve got this”?

Guided Prayer:

- God, thank You that nothing is too broken for You to redeem. We can’t earn Your grace, and we don’t have to. Jesus already gave it to us. Forgive us for the times we’ve been jealous of what You gave someone else. Help us cheer for our friends when You bless them, and remember that You haven’t forgotten us. When someone hurts us, help us talk to them instead of about them. Give us the courage to be honest and the grace to forgive, as Joseph did. In Jesus’ name we pray, amen.
