District Information

Description of the District

Located at the junction of School Drive and Leming Highway, the City of Poteet is twenty miles south of San Antonio in north central Atascosa County. The city derived its name in 1886 from the area's blacksmith and first postmaster, Frances Marion Poteet. This rural community is most known as the "Strawberry Capital of Texas" and celebrates this distinction every April with the Strawberry Festival.

Poteet ISD serves the surrounding community with 4 schools. Poteet Elementary, Intermediate, Jr. High School, and High School. Approximately 1725 students are in grades PK - 12 throughout the district's 17.5 sq. miles.

Mission Statement, Goals, and Objectives

Policy AE

The mission of the Texas public education system is to ensure that all Texas children have access to a quality education that enables them to achieve their full potential and fully participate now and in the future in the social, economic, and educational opportunities in our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of Texas and for the preservation of the liberties and rights of Texas citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child.

The objectives of public education are:

Objective 1: Parents will be full partners with educators in the education of their children.

Objective 2: Students will be encouraged and challenged to meet their full educational potential.

Objective 3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a diploma.

Objective 4: A well-balanced and appropriate curriculum will be provided to all students. Through that curriculum, students will be prepared to succeed in a variety of postsecondary activities, including employment and enrollment in institutions of higher education.

Objective 5: Educators shall cultivate in students an informed American patriotism and lead students in a close study of the founding documents of the United States and Texas. The purpose of this objective is to:

1. Increase students' knowledge of the deepest and noblest purposes of the United States and Texas;

2. Enhance students' intellectual independence so that students may become thoughtful, informed citizens who have an appreciation for the fundamental democratic principles of our state and national heritage; and

3. Guide students toward understanding and productively functioning in a free enterprise society.

Objective 6: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective 7: Texas students will demonstrate exemplary performance in comparison to national and international standards.

Objective 8: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective 9: Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.

Objective 10: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Objective 11: The State Board of Education, TEA, and the commissioner shall assist school districts and charter schools in providing career and technology education to students.

The academic goals of public education are to serve as a foundation for a well-balanced and appropriate education. The students in the public education system will demonstrate exemplary performance in:

Goal 1: The reading and writing of the English language.

Goal 2: The understanding of mathematics.

Goal 3: The understanding of science.

Goal 4: The understanding of social studies.

Board of Trustees

Policies BA, BB series, BD series, and BE series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected annually and serve 3 year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

- Ronnie Ambriz, President
- Jo Marie Cervantez, Vice President
- Yvette Navarro, Secretary
- Nathaniel Garza
- Margie Martinez
- Ruben Reyes
- Daniel Rivera

The board usually meets the 3rd Monday of each month at 7:00 p.m. In the event that large attendance is anticipated, the board may meet at Poteet Intermediate Library. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website and central administrative office at least three business days before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur

for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Poteet ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Charles Camarillo, Superintendent, cwcamarillo@poteetisd.org, 830-742-3567. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Charles Camarillo, Superintendent, cwcamarillo@poteetisd.org, 830-742-3567.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the district's website.

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Noncontract Employment

Policy DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a Chapter 21 probationary or term contract.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Rebecka Turner, Executive Administrative Asst/HR in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify Rebecka Turner when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Rebecka Turner if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Rebecka Turner if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

Searches and Alcohol and Drug Testing

Policy CQ, DHE

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no

legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact the Superintendent.

Health Safety Training

Policies DBA, DMA

District employees who are head directors of a marching band or head coaches or chief sponsors of an extracurricular athletic activity (including cheerleading) that is sponsored or sanctioned by the district or UIL must maintain and submit to the district proof of current certification in first aid and cardiopulmonary resuscitation (CPR) issued by the American Red Cross, the American Heart Association, or another authorized organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to Selena Sisnero at Central Office.

Nurses, athletic coaches or sponsors, PE teachers, marching band directors, cheerleading coaches, and other certain employees must obtain and maintain certification in the principles and techniques of cardiopulmonary resuscitation (CPR) and the use of an automated external defibrillator (AED) provided by the American Red Cross, the American Heart Association, or another authorized organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to Selena Sisnero at Central Office.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA(Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by using the employee transfer section regarding current job openings. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the administrative office and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

ADA Accommodations

Policies DAA, DBB, DIA

The district will provide reasonable accommodations to employees with a disability if the accommodation would allow the individual to perform the essential functions of their job, unless doing so would create an undue hardship. An employee or their supervisor may initiate a request for accommodation by contacting the administrative office and identifying an adjustment or change at work that is needed because of a disability.

Upon receiving the reasonable accommodation request, HR or the ADA coordinator will meet with the employee and conduct an informal, interactive discussion to identify an accommodation that will allow the employee to perform the essential functions of the job effectively. The district may request medical information concerning the employee's disability and to assist in determining what accommodation(s) may be available and appropriate. The employee will be responsible for obtaining the information from their health care provider. Medical information received will be confidential and kept separate from the employee's personnel file.

After meeting with the employee and reviewing medical documentation, HR or the ADA coordinator will determine whether the employee is a qualified individual with a disability and develop a reasonable accommodation plan for the employee. Accommodation will be determined on a case-by-case basis. HR or the ADA coordinator will work closely with the employee and supervisor to ensure that reasonable accommodation is provided and effective.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact supervisor to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to an uncertified substitute, inappropriately certified teacher or an uncertified teacher. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit, including substitutes. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Rebecka Turner, Ex. Admin. Asst/HR.

Outside Employment and Tutoring

Policy DBD

All employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Administrators. An employee (other than employees primarily responsible for in-class instruction) who has significant administrative duties relating to the operation of a school district, including the operation for a campus, program, or other subdivision of the district may not receive financial benefits for performing personal services for any business entity that conducts or solicits business with the district. With exceptions as noted below, administrators are also prohibited from receiving financial benefits for performing personal services for any education business that provides services regarding the curriculum or administration of any school district or financial benefits for performing personal services for other school districts, open enrollment charter schools, and education service centers.

Exceptions apply to an administrator who is not a superintendent, assistant superintendent, or member of a board of managers if the board approves as required by statute. To be approved, services must be performed on the administrator's personal time.

Performance Evaluation

Policy DN, DPB series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, Poteet ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Mental Health Training

Policy DMA

All district employees who regularly interact with students are required to complete an evidenced-based mental health training program that is designed to provide instruction regarding the recognition and support of children and youth who experience mental health or substance use issues that may pose a threat to school safety. Employees must provide a certificate of completion to the district that includes the name of the training course, along with supporting documentation confirming that the training meets the requirements of the commissioner rules for mental health training.

Campus staff required to complete the training includes, but is not limited to, teachers, coaches, librarians, instructional coaches, administrators, administrative support personnel, school resource officers, paraprofessionals, substitutes, custodians, cafeteria staff, bus drivers, crossing guards, and district special program liaisons, and supervisors of personnel who regularly interact with students.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek.

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact payroll dept. for more information about the district's pay schedules or their own pay.

Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid semi-monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization. Employees are responsible for regularly reviewing the accuracy of their pay statement and should contact payroll dept. if they have any questions.

The schedule of pay dates for the 2026-2027 school year are available on the Poteet ISD website.

Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into a designated account. A notification period of 5 days is necessary to activate this service. Contact the payroll dept. for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments. Employees are not entitled to any funds the district overpays. An overpayment occurs if an employee is paid more than the amount the employee should have been paid under the assigned pay grade and applicable supplemental pay.

If an overpayment is reported in the current fiscal year, a payment plan will be developed to recoup the payment. Generally, an overpayment will be paid in one pay cycle. However, if this creates an undue hardship for the employee, the district has the discretion to develop a plan for regular payroll deductions in the same fiscal year.

An agreement between an employee and the district must be in place in order to deduct any overpayment.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of

calculating overtime, a workweek begins at 12:01 a.m. Sunday and ends at midnight on Saturday.

Nonexempt employees that are paid on a salary basis are paid for the hours set by the normal work schedule. Hours worked beyond the normal schedule up to 40 hours will be paid at a regular rate of pay.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and administrative office must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

Health, Dental, and Life Insurance

Policy CRD

Poteet ISD will be utilizing Professional Enrollment Concepts' (PEC) services for our benefit communication and enrollment. Benefit Counselors will provide you with a detailed explanation of your entire benefit program. They will review your benefits with you on an individual, confidential basis. They will also be able to discuss any personal situations you may have that could potentially impact your benefit decision.

Each year, we strive to offer comprehensive benefit plans to our employees. In the following pages, you will find a summary of our benefit plans for the 2026-2027 plan year (9/1/2026 -

8/31/2027). Please read this Benefits Guidebook carefully as you prepare to make your elections for the upcoming plan year.

Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact Violet Reyes, Payroll and Benefits for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs for various reasons. Premiums for these programs can be paid by payroll deduction. Employees should contact Violet Reyes, Payroll and Benefits for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from TASB.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to Rebecka Turner. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact payroll dept.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the administrative office as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov).

Other Benefit Programs

Children on non-resident district employees may attend district school tuition free, K-12.

PreK is based on income qualifying factor & space availability.

An employee of the district

Leaves and Absences

Policies CRD, DBB, DEC, DECA, DECB, DED, DG

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call Rebecka Turner, HR or Rachel Hernandez, Payroll Dept. for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in hourly or half day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Exempt employees shall be recorded in half day increments.
- Nonexempt employees shall be recorded on an hourly basis.
- If employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 3 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild

- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA(LEGAL).

Medical Certification. Any employee, who is absent more than 3 days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts,

and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor at least 5 days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

All employees shall earn an additional 7 days equivalent workdays of local sick leave per school year at a rate of one-half day per 13 days of employment.

Vacation

Policy DED

An employee in a position normally requiring 260 days of service per year shall earn paid vacation days annually. Paid vacation days shall be earned at a rate of one workday for each 25 workdays of employment.

A workday is equivalent to a leave day as defined in DEC(LOCAL).

Paid vacation days shall be noncumulative. Paid vacation days not used by July 31 of each school year shall be lost.

An employee shall obtain advance approval from the employee's immediate supervisor at least one week prior to the anticipated absence.

Paid vacation days shall be available to use concurrently with the Family and Medical Leave Act (FMLA)

Sick Leave Bank (or Pool)

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request a maximum of thirty (30) days of leave from the bank per fiscal year if the employee or a member of the employee's immediate family experiences a catastrophic illness or injury and the employee has exhausted all paid leave.

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time. Examples of catastrophic illnesses which may qualify for, but are not limited to, include: cancer, stroke, heart disease, multiple sclerosis, muscular dystrophy, and/or any other debilitating diseases.

Pregnancy and delivery, corrective surgery, cosmetic surgery, and uncomplicated fractures will not be considered a catastrophic illness covered under the sick leave bank except when unusual complication occur.

Leave from the Bank may not be used for permanent disabilities or disabilities which qualify the member for Worker's Compensation benefits unless the member has exhausted all Worker's Compensation as well as his/her own accumulated sick, personal, and emergency leave.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act.* Specific information that the district has adopted to implement the FMLA follows this general notice.

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons.

The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take **up to 12 workweeks** of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness ***may*** **take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is ***not*** **paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an **eligible employee** if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and

- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different "hours of service" requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

How do I request FMLA leave?

Generally, **to request FMLA leave you *must***:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You **do *not* have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You ***must* also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer *may* request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

What does my employer need to do?

If you are eligible for FMLA leave, your employer ***must***:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer *cannot* interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer *must* confirm whether you are eligible** or not eligible for FMLA leave. If your employer determines that you are eligible, **your employer *must* notify you in writing**:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call **1-866-487-9243** or visit **dol.gov/fmla** to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. **Scan the QR code to learn about our WHD complaint process.**

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FML.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that

accumulated leave will run concurrently. Teachers have the option of not using paid leave during an FML absence for pregnancy or birth or adoption of a child.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according the procedures outlined in policy (see DECA(LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact Rebecka Turner for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, Violet Reyes, Payroll Supervisor, should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to principal, supervisor, and Rebecka Turner at the administrative office.
An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Use of state leave and/or sick leave for death in the immediate family shall not exceed five workdays per occurrence, subject to approval from the Superintendent.

Jury Duty

Policies DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Rebecka Turner. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Violet Reyes for details on eligibility, requirements, and limitations.

Mental Health Leave for Peace Officers and Licensed Telecommunicators

Districts employing peace officers and licensed telecommunicators are required to provide these employees with paid mental health leave in accordance with policy DEC(Local

Quarantine Leave for Peace Officers

Peace officers employed by a school district are entitled to paid leave if ordered to isolate or quarantine because of a possible or known exposure to a communicable disease while on duty. The Centers for Disease Control and Prevention (CDC) no longer recommends an isolation period of five days for individuals with COVID 19. At the district level, isolation practices are most likely no longer needed. Entities should update local procedures to align with Policy DBB(LOCAL) and eliminate isolation requirements. If quarantine leave is applicable to your district, written procedures should be communicated in this topic. Clearly state who is authorized to order an officer to quarantine or isolate, such as the supervisor (e.g., chief of police or superintendent) or local health authority (e.g., county health department). Note the definition of a health authority doesn't include all physicians, only those who have been appointed under Texas Health and Safety Code Chapter 121. Firefighters and emergency medical technicians also are entitled to this leave. An instructor or other employee may also qualify under this policy if they are certified as an emergency medical technician under the Texas Health and Safety Code. Include these positions, if applicable to your district.

Leave for Police Officers for Illness or Injury

A full-time district employed licensed police officer who regularly serves in a law enforcement capacity in a district police department is entitled to a paid leave of absence (LOA) for an illness or injury related to the person’s line of duty. If necessary, the leave shall continue for at least one year.

If unable to return to work at the end of the paid leave and any extension, a police officer may use accumulated sick, vacation, and other accrued leave before being placed on unpaid temporary leave. At the end of temporary leave, the police officer will be reinstated at the same rank and with the same seniority the person had before going on temporary leave.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include end of year convocation.

District Communications

Throughout the school year, the campus and administrative office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. They include the following:

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

Harassment of Students

Policies DF, DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the

ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, the Department of Family and Protective Services (DFPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 24 hours after the employee has reasonable cause to believe that the child has been abused or neglected. Law enforcement agency includes the Texas Department of Public Safety (DPS), a municipal police department, a county sheriff's office, or a county constable's office and does not include the district police.

If the alleged or suspected abuse or neglect involves a person responsible for the care, custody, or welfare of a child (including a teacher), the report of alleged abuse or neglect must be made to DFPS even if a report is made to law enforcement.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to DFPS can be made using the Texas Abuse Hotline (https://www.txabusehotline.org/Login/Default.aspx or 800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, a person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent.

In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

Policy FFG

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at with the campus and district counselor and administration. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Abuse in the Texas Family Code is defined to include any sexual conduct harmful to a child's mental, emotional, or physical welfare, including conduct that constitutes the offense of continuous sexual abuse of a young child or disabled individual, indecency with a child, improper relationship between an educator and a student, sexual assault, or encouraging a child to engage in sexual conduct, as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reports to Texas Education Agency

Policies DF, DHB, DHC

The conduct of an employee must be reported to TEA within 48 hours if there is evidence that the employee was involved in any of the following:

- Any form of sexual or physical abuse of a minor, or any other unlawful conduct with a student or a minor
- Soliciting or engaging in sexual contact or a romantic relationship with a student or minor
- Engaged in inappropriate communication with a student or minor
- Failed to maintain appropriate boundaries with a student or minor

For a certified employee, the conduct below must also be reported not later than the seventh business day after termination or resignation or notice from the principal:

- The possession, transfer, sale, or distribution of a controlled substance
- The illegal transfer, appropriation, or expenditure of district or school property or funds
- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit for the purpose of promotion or additional compensation
- Committing a criminal offense or any part of a criminal offense on district property or at a school-sponsored event.

The reporting requirements above are in addition to the superintendent's ongoing duty to notify TEA when a certified employee or an applicant for certification has a reported criminal history or engaged in conduct violating the assessment security procedures established under TEC §39.0301. "Reported criminal history" means any formal criminal justice system charges and dispositions including arrests, detentions, indictments, criminal information, convictions, deferred adjudications, and probations in any state or federal jurisdiction that is obtained by a means other than the Fingerprint-based Applicant Clearinghouse of Texas (FACT).

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy DG

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy CQ, CQD

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.
- Artificial intelligence (AI) should only be used as a support tool to improve student outcomes, not to replace the decisions made by teachers or students

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and/or legal action. Employees with questions about computer use and data management can contact the technology department.

Personal Use of Electronic Communications

Policy CQ, CY, DHA

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, X, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, mealtimes, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use district and campus trademarks, including names, logos, mascots, and symbols or other copyrighted material on social media or in texts without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
    - Confidentiality of student records. [See Policy FL]
    - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DHA(LEGAL)]
    - Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]

- Copyright law [See Policy CY]
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DHA(LEGAL)]

See *Electronic Communications between Employees, Students, and Parents,* below, for regulations on employee communication with students through electronic media.

Electronic Communications between Employees, Students, and Parents

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an

employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.

- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, school psychologists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
- The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.
- The employee shall not communicate directly with any student between the hours of 9:00 p.m. and 7:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics including:

    - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
    - Copyright law [Policy CY]
    - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
- All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's record retention policy.
