Each large elementary school (400 FTE students) can assign eight (8) stipends.
Each regular elementary school can assign six (6) stipends.

Stipends on this schedule may include a variety of responsibilities, such as:

- Leading grade level or department meetings
- Participating in building leadership meetings with administration
- Serving as teacher-administration liaison in site-based decision-making process
- Attending district level grade level/content area meetings
- Managing department budget and inventory
- Aligning grade level/content areas grading and assessment practices
