Month-in-Review:

October at the ECC

Fall Learning at the ECC

The ECC hallways are filled with wonderful fall and Halloween-themed projects! Our teachers continue to find creative ways to incorporate academics into seasonal activities. From writing about bats and solving haunted house math facts to identifying the parts of a pumpkin, our students are enjoying hands-on learning experiences that are both fun and meaningful.

Parent-Teacher Conferences

We had a successful round of Parent-Teacher Conferences in October, with over 300 conferences attended! We appreciate the continued partnership between our families and teachers as we work together to support student learning and growth.

Red Ribbon Week & Halloween Celebrations

Students celebrated Red Ribbon Week with the theme of being a hero and making good choices! October also brought plenty of Halloween excitement, including classroom parties and costume parades. Our preschool students will wrap up the month by trick-or-treating throughout the building on Friday, October 30th.

Scholastic Book Fair

Our Scholastic Book Fair was a great success! Families were invited to shop with their students, making this a wonderful opportunity to promote a love of reading. We were also fortunate to have retired librarians and teachers return to help run the cash registers. We appreciate their continued support of the ECC!

Morning Drop-Off Safety

We are continuing to work toward making our morning drop-off procedures safer and more efficient. After receiving concerns regarding vehicles being left unattended in the drop-off lane, Mrs. Pendergast and I are taking a more active role in monitoring and directing morning

traffic. We are also exploring additional ways to improve the overall arrival process to ensure student safety and keep traffic moving smoothly.

Looking Ahead to November

We have some exciting opportunities planned for our students in November! On November 6th, students will have the opportunity to watch military helicopters land at Coal City Middle School. On November 12th, our students will travel to Coal City High School to enjoy a preview of the middle school musical, *Beauty and the Beast*. We will then wrap up the month with Thanksgiving break!

Recognition:

This month, I would like to recognize our ECC CPI (Crisis Prevention Intervention) First Response Team for the incredible work they do each and every day.

Kailee Marketti, Cassie Spicer, Abby Dimitrijevic, Jennifer Swanson, Megan Mutz, Margaret Marsaglia, Emily Trafton, Madi Phillips, and Rebecca Pendergast.

At the ECC, we have little students with BIG emotions! At this young age, our students are still learning how to regulate their emotions, communicate their needs, and respond appropriately when things don't go their way. Sometimes, those big emotions lead to unsafe behaviors that require additional support.

Our CPI First Response Team is called to classrooms throughout the day to help students who are in crisis. These staff members are constantly stepping away from their own daily responsibilities to respond to challenging situations, often putting themselves in the position of receiving physical aggression while working to keep students and staff safe.

What many people don't realize is just how physically and emotionally demanding this work can be. Unless you spend a day at the ECC, it is difficult to fully understand the frequency of these calls and the patience, compassion, and teamwork required to respond.

But their work doesn't stop when the crisis ends. Our team spends countless hours collaborating, problem-solving, and developing strategies to better support both the students and the teachers working with them.

What impresses me most is how calmly and seamlessly this team responds. They step into incredibly challenging situations with professionalism, compassion, and a shared commitment to helping our students be successful. They do this workday after day, often without the recognition they truly deserve.

I am incredibly grateful for this team and the heart they bring to some of our most challenging moments. Their work may not always be visible, but the difference they make in the lives of our students and staff is immeasurable.

Thank you to our ECC CPI First Response Team for showing up, stepping in, and never giving up on our students!

Previous Month in Review:

- We celebrated Tommy Onsen, Reilly Radomski, and Jannell McMullen on October 2nd for Custodian Appreciation Day. We gave them treats and many students made them cards. All three of them do an outstanding job of taking care of the building and helping teachers.

- October is Breast Cancer Awareness Month. On October 5 (the first Monday in October) all staff in the district could wear jeans if they donated $5.00. As a school district, we collected $769 for the Ta Ta Trot Foundation. The CCIS Student Council sold ice cream on October 8. Their profit was $423.75, which was also donated to the Ta Ta Trot, for a total donation of $1192.75.

- We welcomed the 6th graders for a Step-Down Day on October 14 since that class did not get to experience CCIS due to the construction taking place over the past two school years. The 6th graders rotated through three stations: (1) a visit to their 5th grade teacher, (2) recess on our new playground and gaga ball pit along with a popsicle, and (3) dodgeball in the new gym. We literally rolled out a red carpet and welcomed them with a bubble machine. They seemed to have a wonderful visit.

- We held our first Positive Behavior Incentive Assembly on October 16 for students who had positive behavior 80% or more of the time during the first 9 weeks of school. We played *Grab the Mic & Finish the Lyric*, and the students absolutely loved it. Students also had the opportunity to win raffle prizes at the end of the assembly.

- We walked to CCHS on 10/16 to see part of the high school's musical, *Little Shop of Horrors*.

- CCIS celebrated Fire Safety in October. Firefighter/Lieutenant Josh Eddy and Firefighter Jessy Stoczanskyj came to CCIS to give a Fire Safety Presentation during the students' PE time on October 19. They also brought their ladder truck and let the students climb through it. We practiced another Fire/Evacuation Drill on 10/21 under the supervision of the Coal City Fire Department.

- CCIS had a Scholastic Book Fair from 10/19-10/22. The Book Fair was also open during Parent/Teacher Conferences on 10/22 from 4:00-8:00 p.m.

- We held our annual Candy Apples for Community fundraiser in October. The pickup was held at CCES after school on 10/21. Our $1,274.63 profit will be given back to families in need in our school district.

- Parent/Teacher Conferences were held on October 22 and 23. We had 93.5% of the parents attend over the two days.

- CCIS celebrated Red Ribbon Week from 10/26-10/30. During Red Ribbon Week we remind students the importance of making good choices. Students received Red Ribbon Week themed gifts all week: a Red Ribbon Week wristband, pencil, bookmark, a red ringpop, and an ice cube shaped gel squishy that says, "freeze drugs out". Student Council sponsored the following spirit days during Red Ribbon Week:

  Monday ~ "RED-y to Make Good Choices" – Red Day

  Tuesday ~ "Team Up Against Bad Choices" – Sports/Jersey Day

  Wednesday ~ "Put Bad Choices to Bed" – PJ Day

  Thursday ~ "WILD About Making Good Choices" – Animal Print Day

  Friday ~ "Say BOO to Bad Choices" – Halloween Costumes

- On October 27, the 5th Grade took a Field Trip to a Chicago Wolves hockey game. They offer day games for schools along with an interactive workbook for each student which covers every core subject. It was an engaging, educational trip that provided students the opportunity many of them will never have with their own family.

- Our annual 5th Grade Cupcake Launch was held at 4:00 on October 28, and we had 27 creative entries this year. The top three finishers are noted below in Student Recognition**.**

- On October 29, the 4th Grade took a Field Trip to the Brookfield Zoo. This trip ties in directly with the 4th grade science curriculum.

- We currently have 19 students in ASAP (After School Assistance Program); 12 students in 4th grade and 7 students in 5th grade. Recommended students receive homework help from 3:00-4:00 three days a week from Miss Benson or Mrs. Rink.

- We held the following Theme Thursday Spirit Days this past month: Class Color Day, Pink Day for Breast Cancer Awareness, Rhyme Without Reason, and Olympian Medal Day.

- Every Friday was Coaler Spirit Day at CCIS.

His favorite subject in school is Math, and his favorite food is Goldfish. He's part of the Miners football team, the Coalers U11 travel baseball team, and the YMCA basketball team. His favorite place in the world is Disney, and his favorite Coaler is his cousin, Ella Wills, who is a Senior Cheerleader out here tonight. Brock has his sights set on the big leagues, with dreams of playing professional football or baseball when he grows up. We believe in you, Brock. Keep working hard and congratulations on being this week's Fan of the Game!

Reid Trammel is a 5th grader in Mrs. Gaffigan's class. His favorite subject is Spelling, favorite food is Shrimp, and his favorite football team is The Ravens. Reid stays busy outside of school, too! He is a proud member of the Miners Football Team, a Lil' Coalers Wrestler, and participates in Rec Soccer. When he's not playing sports, Reid enjoys spending time at the Coal City Area Club, and he really likes fishing. One of Reid's favorite things about CCIS was being part of the musical *Finding Nemo*! He had a great time being involved in the production and is already looking forward to being part of the next musical in May.

Sawyer Chodl is a 5th grader in Mrs. "Hallney's" class. He is friendly and kind to both his classmates and staff members. He is a positive role model at school and has a great attitude each day. Sawyer likes having so much room at CCIS, especially in PE. His favorite subject is Math, and he is looking forward to joining the school's wrestling team. When he's not at school, you can find Sawyer riding dirt bikes. When he grows up, he hopes to become a motorcycle mechanic. Sawyer's favorite team is the Chicago Bears, he loves enchiladas, and his favorite place to visit is Gatlinburg.

Benji Kania is a 5th grader in Miss Fisk's class. He has a positive attitude, is kind to everyone, and works very hard at school. Math is his favorite subject, and when he's not in the classroom, you can often find him doing what he loves most—playing football! He is proud to be a member of the Miners Football Team and is a big fan of the LA Rams, especially Aaron Donald. When it comes to favorites, he enjoys sushi and loves Coaler Green! One day, he hopes to travel to Los Angeles, California. His dream for the future is to become a professional football player. - ➔ Elyssa's Mission - On October 13, student services from the whole district met at the high school to present Elyssa's Mission to our sophomore class. Elyssa's Mission is a community-based nonprofit organization that educates and screens teens on the warning signs of suicide to help identify at-risk youth, link them to vital resources, and ultimately prevent teen suicide. After the hour presentation and screening, the student services department spent the rest of the day pulling students that were identified as at-risk.
- ➔ Preliminary SAT/National Merit Scholarship Qualifying Test - On October 15, we administered the PSAT/NMSQT to 12 juniors that signed up for the exam. Students will have an opportunity to visit some programs in November that they are interested in joining next year. With students starting to select classes for next school year in January, this is a great opportunity for them to figure out what direction they want to move forward with.

- ➔ I.C.E. Art Workshop - On October 28, Mr. Fiske and Ms. Brus took three students to the conference workshop in Lisle where they were able to learn and use some new skills. The students that attended were Ella Wills, Isabella Palacios, and Aneiah Salcido.
- ➔ Haunted Hallways - On October 28, Mr. Micetich and the Drama Club put on an amazing community event "Haunted Hallways". We had many different clubs/activities that participated in this event to give an opportunity for kids/families in the community to come trick or treating through the hallways of CCHS.
- ➔ Celebrating disABILITIES Awareness - To celebrate disABILITIES Awareness Month, we held a competition between CCT classes. Each CCT class had a race to see who can push the mini white bus 100 meters in the fastest time. Each student participating had to pay $2. The fastest team won pizza, drinks, and free time during CCT on November 4. The money that was collected will be donated to Special Olympics after our Coaler Plunge in March.

Recognition:

- ➔ ICE Leadership Conference - Eight students attended the ICE Leadership conference at Herscher High School. The students had a chance to listen to a speaker who talked about the importance of being a leader along with messages of acceptance, inclusion and hard work. The students were split into groups with other students from conference schools and participated in several team building activities. It was a great opportunity for the students, and they can bring back a lot of important messages to their teams. The students attending were Aubrie Kavanaugh, Patrick Doerfler, Penny D'Arcy, Jonah Micetich, Jacqueline Dodge, Patrick Osipavicius, Caroline Childers, and Cooper Morris
- ➔ Spanish Honor Society - On October 21, twenty-one students were inducted into our Spanish Honor Society. The goal of the National Spanish Honor Society is to honor the students that have an interest in the Spanish language and culture and want to promote global friendships and peaceful understandings between cultures. The SHS sponsor is Kim Sondgeroth and the new members are: Louie Arteaga, Sawyer Bennett, Jaycee Chase, Carson Dearth, Autumn Garza, Lilly Gerrish, Cameron Haas, Hallie Horrie, James Little, Audrina Marshall, Aidan Middleton, Brady Noffsinger, Miguel Nunez, Heli Patel, Gracie Rodriguez, Jasmin Serna, Alyson Shelton, Addison Smith, Kenny Tazelaar, Allyson Togliatti, and Trevor Walker.

J. ATHLETIC DIRECTOR REPORT

Athletic Director Cherry reported:

FROM THE ATHLETIC ***DIRECTOR'S DESK***

Fall sports are now coming to an end, with golf and tennis having completed their seasons, and Soccer, Volleyball, and Football now all playing in the postseason.

The first of the winter sports have also begun with girls wrestling having started on 10/26.

All conference winners will be released soon as the seasons come to an end.

I will be taking 4 students to the InSideOut leadership conference in Peoria on 11/16. This event is in partnership with the NFL and sponsored by the Chicago Bears. Thanks to the Bears it is free for us to attend and is an opportunity for our students to "reflect on their leadership purpose, develop their communication and teamwork skills, and explore strategies for bringing InsideOut to their teams and schools". This will help our students to not just focus on winning in sports, but also how to develop a culture in

athletics that promotes growth and character development.

ATHLETICS HIGHLIGHTS

Fall Season Recap

- Football finished the regular season with an 8-1 record and an ICE conference championship! This earned the Coalers a first-round bye in the new playoff format and a #2 seed in the 4A north football pairings. We are looking forward to a great playoff run this fall!

- Volleyball finished with a 20-12 regular season record and earned a tie for second place in the ICE conference. We host the regional which the girls entered as a 5 seed. The girls defeated Pontiac in a nail-biter in the first round of the regional, and now move on to play Seneca for the regional championship

- Boys Soccer had another great season, finishing the season with a 12-7 regular season record and a second-place finish in the ICE conference. We then hosted the regional and the boys defended their regional title from last year with a repeat win again this year! The boys advanced to the Manteno sectional where they won their first match against Herscher.

- Girls Tennis finished the year with an 11-7 record. The girls doubles team of Kyla Stark and Lanie Winke advanced out of the sectional round to qualify for the state tennis championship which was held at Schaumburg High School on 10/22. The girls played well, losing their second match in a heartbreaker.

- Boys golf ended the season at 8-4 including a win at the Seneca golf invite. They finished second overall in the ICE conference tournament and 7th at the regional which was played in a downpour. Frankie Ponio was able to qualify for the sectional match and had a great showing but failed to qualify for the state match.

- Girls Golf finished the year at 4-4 but did win the ICE conference championship! The girls finished 4th at the regional and just missed advancing to sectional as a team. Audrina Nugent and Liv Sulzberger did advance to the sectionals but were not able to qualify for the State match.
