AMERICAN EDUCATION WEEK
November 16 – 20, 2026

NEA's American Education Week (AEW) spotlights the importance of providing every child in America with a quality public education from kindergarten through college, and the need for everyone to do his or her part in making public schools great.

Our annual tagline, ***Great Public Schools: A Basic Right and Our Responsibility,*** reflects the Association's calling upon America to provide students with quality public schools so that they can grow, prosper, and achieve in the 21st century.

We cannot always build the future for our youth, but we can build our youth for the future.

-Franklin D. Roosevelt

PRINCIPAL'S CORNER

As we turn the corner into our 2nd quarter, I am so grateful that things are getting back to normal. We have had an exciting Fall with the Fun Run, Boogie Bash, and Pumpkin Party! Thank you PTO, parent volunteers, and staff who have helped to make all of that happen.

To help us continue to move forward, I would encourage parents to really take a close look at coping and friendship strategies that your child has or is developing. Do they know how to take turns, follow directions, work at things that may be hard, be patient, and ask for help appropriately? Some ways to practice these skills include having household chores and playing games such as board games or cards. As we spend more time indoors, it is a perfect time to reassess the activities your family partakes in that can best help build stamina and lifelong strategies for our children. We often use screen time as a time filler for ourselves and our kids, but is that the best idea?

Did you know that there can be side effects of too much screen time in children?

According to the American Academy of Child and Adolescent Psychiatry, side effects of too much screen time include:

- sleeping problems
- poor self-image and body image issues
- reading fewer books
- spending less time outside
- lower grades in school
- struggling to maintain a moderate weight
- having a narrower scope of interests
- mood or attention disorders

Winter Weather Reminders... This is the time for the yearly reminder to students and parents that ***we will be going outside for recess unless the temperature or the wind chill is below zero.*** Therefore, it is imperative that children dress appropriately for the weather. Hats, gloves, boots, snowsuits/pants, winter jackets! All children are expected to go outside for recess. Parents check the forecast and check your student before they leave for school to see they are properly dressed for the weather. ***PLEASE, do not send your child to school in shorts or without a coat***. They are expected to wear pants during the school day when it is below 40 degrees.

Label your child's winter clothing so it can easily be returned if misplaced.

STAY CONNECTED WITH YOUR PTO!

A great way to stay on top of things going on at Nasonville, as well as get information that can help support our PTO, is the Nasonville PTO page on Facebook.

If you are a member of Facebook, just search Nasonville PTO - Marshfield, WI and request to become a member. The PTO administrators will then grant you access to the page and help try and keep you up-to-date with school events and reminders.

Thank you PTO for the Boogie Bash and Pumpkin Party!!

School Cancellations?

The School District of Marshfield will again be using WDLB AM 1450 and WOSQ FM 92.3, WSAW Channel 7 and WAOW Channel 9 to announce any school closings. They will also be posted on the district website www.marshfieldschools.org

ON DAYS WHEN THE WEATHER BECOMES STORMY AND SCHOOL IS ALREADY IN SESSION, WE ASK THAT YOU NOT CALL THE SCHOOL TO SEE IF THE CHILDREN WILL BE DISMISSED EARLY. Again, we ask that you listen to the radio stations listed above since they will announce any school closings that occur during the school day or check on the websites or TV stations listed above.

The Skylert phone messaging system will again be used to notify families of any cancellations.

Help is available during these tough times. If you have any questions, please call the school counselor Kimberli Dammann at (715) 383-1312

Help is Available in our community. If you need basic food/clothing/household items, housing assistance, mental health resources, parenting help, or support with other family struggles, there are resources offered in Marshfield.

Resources and detailed information are at:
• United Way – Call 211 or
https://www.marshfieldareaunitedway.org/united-ways-2-1-1
• Wood County Crisis 715-384-5555
• Contact your student's school counselor for more information on school and community resources

SCHOOL SAFETY DRILLS

To help ensure students and staff are prepared for any safety issue that may arise during the school day, safety drills are conducted each month throughout the school year.

Safety drills include: • Fire Drills • Hard/Soft Lockdown Drills • Tornado Drill

BIRTHDAY INVITATIONS

Please do not expect classroom teachers to hand out birthday invitations unless ALL students in the class are receiving them. With today's technology, please get creative on how to contact the families and students you want to invite.

NASONVILLE CONCERT SCHEDULE…SAVE THE DATE!

Tuesday, December 8	***1:30PM***	***Kdgn***
Tuesday, December 8	***6:30PM***	***Grades 1 & 2***
Tuesday, March 2	***6:30PM***	***Grades 3 & 4***
Tuesday, May 11	***6:00 PM***	***Grades 5 & 6***
