School: Jordan High School
Pathway Name: LEAPS- Law, Emergency and Public Services
Industry Sector: Public Safety & Emergency Response

Pathway Vision: LEAPS graduates are confident, knowledgeable, professional leaders in local and national justice & safety systems. They advocate on improving the greater good and creating a more fair & just society through promotion of public safety and fostering community relations.
Pathway Mission: LEAPS is a learning community that provides students with a rigorous program in emergency and public services. Students strive to protect and serve by responding to the changing needs of our society while promoting mutual respect. With the inclusion of industry standards and technology to complete educational and career goals; students can participate in their chosen field within the law enforcement and emergency industries.
