Title I Parent Information

2026-2027 School Year

Dear Parents and Guardians:

The Rockaway Borough School District receives federal Title I funding to provide additional academic support for eligible students. I am sharing this information so that families understand the program, know their rights, and have opportunities to participate in their child's education.

Please review the following Title I materials:

1. District-Wide Parent and Family Engagement Policy — Policy 2415.04 describes the district's expectations and procedures for involving parents and families in Title I programs.
2. Parents' Right-to-Know Letter — This letter explains your right to request information about the qualifications of your child's teachers and paraprofessionals.
3. Annual Title I Parent Meeting Information — Our annual Title I parent meeting was held on Thursday, October 29, 2026, at Lincoln School. Families who were unable to attend may contact the district for program information.

Your input is important. Please share questions, suggestions, or feedback about Title I services, parent communication, and family engagement with your child's principal or my office.

If you would like assistance reviewing the materials, need information in another language or an accessible format, or would like to discuss your child's academic support, please contact my office at 973-625-8601, extension 100, or agrieco@rockboro.org.

Thank you for working with us to support your child's learning.

Sincerely,

Anthony Grieco, Ed.D.
Superintendent of Schools
