Title I Parents Right to Know

October 30, 2026

Dear Parents and Guardians:

The Rockaway Borough School District receives Title I, Part A funding under the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA), to support student academic achievement.

As a parent or guardian of a child attending a school receiving Title I funds, you have the right to request information about the professional qualifications of your child's teachers and paraprofessionals.

Upon request, the district will provide information about whether your child's teacher meets State qualifications and licensing criteria for the grades and subjects taught; whether the teacher is teaching under emergency or other provisional status through which State qualifications or licensing criteria have been waived; and whether the teacher is teaching in the field of discipline of the teacher's certification. You may also request information about whether your child receives services from paraprofessionals and, if so, their qualifications.

We are proud of our staff and their commitment to our students. I encourage you to communicate regularly with your child's teachers and to remain involved in your child's education.

To request qualification information, please contact your child's principal or my office at 973-625-8601, extension 100, or agrieco@rockboro.org. If you need this information in another language or an accessible format, please contact my office.

Thank you for your continued partnership in supporting your child's success.

Sincerely,

Anthony Grieco, Ed.D.
Superintendent of Schools
