PRINCIPAL'S MESSAGE

The GRE"A"TEST Show on Earth!

Nicole Murillo
Principal

Dear Students, Families, and Staff,

Welcome to another unforgettable year at the **GRE"A"TEST School on Earth!** This year's theme reminds us that our campus is more than just a place to learn—it is a place full of wonder, excitement, and endless possibilities. Just like a great show **under the big top, each of you plays an important role** in making our school a joyful and successful **place**.

Throughout this year, we **have seen incredible** performances in our classrooms, on the playground, in the cafeteria, and on the stage. Our students have amazed us with their **hard work, kindness,** and **determination**. Our teachers and staff have been the **ringmasters of learning**, guiding every student to reach new heights. And our **families** have been the strong support system that keeps our school community shining.

Remember, each one of you brings a special talent to our school. Whether you are a leader, a **helper**, a thinker, or a dreamer, you are part of what makes our school the **GRE"A"TEST show around**.

Thank you for being part of this wonderful journey. **Keep** believing in yourselves, keep working hard, and never forget –**you are all stars** in our school's greatest show on earth!

With pride and **appreciation,**

Nicole Murillo
