Irma Solis: Non Instructional Staff Member

2. Beginning of the Year

- Enrollment 278 as of 10/12/26/ Projection 365
  - Discussed potential for new students based on apartment complex opening across the street
  - Ms. Solis stated she has made phone calls to parents who withdrew their children to let them know that we have space and would welcome their students back if they were not happy with the school they moved to.
- PIEMS Date: Oct 30, 2026
  - Socioeconomic forms are 100% complete
  - Annual Student Update forms are approx.51% are complete at this time.
  - Ms. Solis stated PEIMS is the data the state uses to determine funding for a campus.
- Student Attendance Goal 97%
  - Ms. Carreon suggested having more than one "surprise event" (e.g. glow party, popsicle party etc.) to encourage student attendance
  - Ms. Solis suggested a "hot chocolate with santa" event in December
  - Ms. Carbajal suggested we have a raffle each report card cycle for perfect attendance

3. Action Plan and Six Indicators:

- By Spring 2027, 45% of Emergent Bilingual students will increase at least one proficiency level on the TELPAS Composite Rating.
- *By January 2027, campus bilingual/dual language teachers' average SPOT observation scores will meet or exceed 10.5; the average score will increase to 14 by June 2027.
- *By January 2027, 45% of students in Grades K–5 will meet their individual growth targets on the NWEA MAP Reading assessment.
- *By January 2027, Kindergarten–5th grade reading teachers' average SPOT observation score in the Instruction domain will meet or exceed 10.5; the average total SPOT score will increase to 14 by June 2027 through the implementation of High-Quality Reading Instruction aligned to grade-level TEKS.
- *By January 2027, 45% of students in Grades K–5 will meet their individual growth targets on the NWEA MAP Math assessment.
- *By January 2027, K–5th grade math teachers' average SPOT observation score in the Instruction domain will meet or exceed 10.5; the average total SPOT score will increase to 14 by June 2027 through the implementation of High-Quality Math Instruction aligned to grade-level TEKS.
  - Ms. Carreon reviewed the campus action plan indicators. She mentioned purchasing Heggery books to improve early literacy outcomes
  - Ms. Risher asked about starting TELPAS practice sooner this year

- Ms. Carbajal stated that she has increased writing opportunities in her classroom to support student writing growth; the ancillary team also supports math growth by having FriTech Fridays to help students meet their Zearn usage goals.
- Ms. Carreon added that the new LST position is also supporting the growth of our struggling readers.

4. Staff Update

- Literacy Success Teacher (Ms. Lara)
  - Structured Linguistic Phonics
  - PreTeach Reading
- Assistant Principal
  - Ms. Aguilar
- School Counselor
  - Mr. Frye
  - Ms. Carreon reminded teachers that they need to encourage students to return the form for Mr. Frye.
