ADMIN MESSAGE: November at FJH!

October was indeed a vibrant month at FJH, filled with celebrations and community spirit. The appreciation days for our Lunch staff and Bus Drivers was heartfelt, recognizing their crucial role in the daily lives of our students. Their dedication ensures that our school runs smoothly, and it's wonderful to see their efforts celebrated. Red Ribbon Week added another layer of excitement, emphasizing the importance of drug awareness in a fun and engaging manner. The week's highlight, a spirited Pep Rally, brought everyone together in good cheer. Students not only enjoyed games and treats but also the light-hearted spectacle of watching their administrators get pied in the face, creating memories that will surely last beyond the month. Overall, October's events at FJH fostered a sense of gratitude and community, reinforcing the positive environment that defines our school.

As always, please take advantage of the resources available through the Home Access Center to keep up with your child's academic progress. Families can also access teachers' Google Classrooms for additional information about daily assignments, materials, and classroom expectations. Let's make November a month of setting goals, making purposeful choices, and keeping our eyes on the finish line! For more information, visit our website at **https://fontainebleaujunior.stpsb.org** or call the school at 985-875-7501.
