RESTRAINT AND ISOLATION

It is the policy of the Board that the district maintains a safe learning environment while treating all students with dignity and respect. All students in the district, including those who have an individualized education program (IEP) or plan developed under section 504 of the Rehabilitation Act of 1973, will remain free from unreasonable restraint, isolation. Under no circumstances will these techniques be used as a form of discipline or punishment.

This policy is intended to address district students. It is not intended to prevent or limit the use of restraint or other reasonable force as necessary with adults or other youth from outside the district as allowed by law.

Use of restraint, or isolation may only be used on a student when reasonably necessary to control spontaneous behavior that poses an imminent likelihood of serious harm as defined by RCW 28A.600.485 and explained in the procedure accompanying this policy.

The superintendent or a designee will develop procedures to implement this policy and ensure that the district complies with laws governing restraint and isolation of students.
