Interim Helpful Hints

First Interim Helpful Hint #12 – FCMAT LCFF Calculator

11/4/26

Update the Current Calculator

- Use the current FCMAT LCFF Calculator and update the current and two subsequent fiscal years with your district-specific assumptions.
- Review enrollment and ADA for reasonableness using historical trends; exclude County ADA and charter ADA/enrollment when the district-only calculation requires it.
- Confirm district P-2 ADA, funded ADA, County ADA, property taxes, and charter in-lieu transfers are consistent with SACS Forms AI, MYPI, Criteria & Standards, and Fund 01 revenue.
- Review Transitional Kindergarten ADA and other current LCFF data elements required by the calculator.

Submit the Electronic File

The district's electronic LCFF Calculator is a required supporting document for the First Interim submission.
