FAQ

- Would we have space issues if we did not have so many choice students?
- Are choice-in families going to be contributing to the levy?
- Why are you not including the high school in the capital levy?
- How is the Options Program impacting us?
- Why has the high school library (Innovation Center) been turned into a wrestling room? Will the new multi-purpose room be used for wrestling?
- What is going to happen if the EP&O levy does not pass?
- What will happen to the state match if the capital levy does not pass?
