Pinktober

Story on page three!

Mr Steven Rowley - Principal.

www.pmis.iea.ac.pg

Dear Parents and Guardians,

School Fees 2027

The fees for 2027 have been approved. An email was sent to parents last week with the School Fee Schedule.

Unfortunately, our system does not make it easy for us to send out invoices to parents and so parents need to request them from the Finance team.

The school account details are

Account Name: Port Moresby International School

Bank: Westpac PNG Ltd

Branch: Port Moresby

A/C No: 6007997430

BSB Number: **038004**

If you are paying to the bank or by online transfer **please send us the receipt or RA so that we can update our records.**

If you require an invoice then please contact our Finance team as below

Grade 7 & 8 Sharon Melua acassist@pmis.iea.ac.pg

Grade 9 & 10 Vagi Rea acrec@pmis.iea.ac.pg

Grade 11 &12 Lubina Ribin acclerk@pmis.iea.ac.pg

Please state clearly if you wish to be invoiced for the full year (annual early bird fees) or for the first instalment only. It should also be stated whether citizen or non-citizen.

If you are in G9-10 then we will also need to know if it is PNG only course or PNG-International course.

Bus Applications 2027

These were also sent out by email last week. In order to be sure of a place on the bus parents need to submit the application form as well as the payment. Currently the buses are being managed by Albina Melua amelua@pmis.iea.ac.pg while Hane Ranu is on leave.

Term Dates 2027

Term 1 classes begin Wednesday 20th January, classes finish Thursday 25th March

Term 2 classes begin Monday 12th April, classes finish Wednesday 16th June

Term 3 classes begin Monday 12th July, classes finish Friday 10th September

Term 4 classes begin Monday 27th September, classes finish Thursday 2nd December

A full school calendar will be sent out later this term.

Mr Steven Rowley

WORLD BREAST CANCER AWARENESS DAY 2026

Theme: Support the Fighters, Admire the Survivors and Honour the Taken.

On Monday, 26 October 2026, our school commemorated World Breast Cancer Awareness Day with a program focused on raising awareness and supporting those affected by breast cancer.

The program began with an informative overview of breast cancer in Papua New Guinea, presented by Jemimah (Biology Grade 11/PNG). This was followed by a presentation from the ACT Bio group by Shakthi and another presentation by Jemimah, Kabake, and Apyril (Bio Grade 11/PNG) . Students were also introduced to the memorial fingerprint wall and the day's activities, while the generous sponsors were acknowledged for their support.

During lunchtime, students participated in awareness presentations, a quiz, a skit, and the memorial fingerprint wall activity. Fun games, including card games, ring toss, and Stack Attack, added excitement to the event. Students also supported the cause by purchasing pink ribbons, cupcakes, and awareness flyers.

We sincerely thank our sponsors, Mr. Pradeep Panda from City Pharmacy, Mr. Sivaraman from Brian Bell, and Ms. Bart, for their generous contributions.

A total of K1,004 was raised through the fundraising initiative. Funds raised from the sale of pink ribbons and awareness flyers will support the SRC's end-of-year visit to Port Moresby General Hospital. The program was a meaningful reminder of the importance of awareness, compassion, and community support.

Rugby News

Congratulations to Emmanuel Bilgan in Grade 12 who has been selected to play for the
Valley Hunters Premier team who will be on tour in Japan. The three-time CRU Champions will travel to Tokyo, Japan next week. The tour will allow the players an opportunity to test themselves against international opponents. We wish Emmanuel and the rest of the Valley Hunters the very best on their overseas Tour.
