Alaska Railroad Tour Guide Program

Alaska Railroad Tour Guide Program: H8656

Grade Level 11-12 | One Semester-Spring | Prerequisite: None | .5 Alaska Studies or elective credit.

The Alaska Railroad Tour Guide program is an intensive training program which is designed for students to develop a thorough knowledge of Alaska visitor interests and professional skills as tour guides and ambassadors for Alaska Tourism. The program is sponsored through a School Business Partnership between the Alaska Railroad and ASD - King Tech High.

This specialized training includes customer service training, cross-cultural communication, public speaking, CPR and First Aid, Alaska geography, economy, history and tourism related interests. Training provides students with excellent job skills and opportunities in the tourism industry with specific focus as a tour guide for the Alaska Railroad. Application and interview with the Alaska Railroad will be scheduled for those who successfully complete the training.
