Issue 4 – 6 November 2026

Y7 – Y13 Speakers' Club - Careers in the Military – Weds 11 November, 1.30pm

Interested in a career in the Armed Forces?
Come along to an inspiring lunchtime session with former pupils **Nick Reynolds**, a **Sub-Lieutenant in the Royal Navy**, and **Oscar Davies**, an **RAF Paramedic**.

As well as being one of the biggest graduate employers, the Armed Forces is also one of the biggest apprenticeship providers in the UK, with around 23,000 apprentices. The Army, Navy and Air Force are consistently among the top 5 employers in the Times Apprenticeship Rankings.

Nick and Oscar will share their experiences and give you an insight into the huge range of careers available across the Armed Forces, from engineering and medicine to leadership, logistics, cyber, aviation and more.
They'll also explain the application process and what life is really like in the services.
Whether you are thinking seriously about a military career or simply want to explore your options, this is a fantastic opportunity to hear from people who, not long ago, were sitting where you are now.

Bring your questions, discover exciting career pathways and find out where a career in the Armed Forces could take you.

Y9 – Y13 Free Online Career Tasters – Explore Future Careers from Home

Not sure what career might be right for you? These free, interactive online workshops give you the chance to hear directly from professionals working in some of today's most exciting industries.
You'll find out what their jobs are really like, the skills they use every day, the challenges they face, and how they got to where they are. You'll also have the opportunity to ask questions and take part in an interactive activity designed to give you a flavour of the role.
Whether you are already focused on a particular career or just starting to explore your options, these sessions are a great way to gain real-world insight and build your understanding of different pathways:

🏦 What's it like to be a banker? 🩺 What's it like to be a doctor? 🤖 What's it like to work in AI?
⚖️ What's it like to be a lawyer? ⚙️ What's it like to be an engineer? 🧠 What's it like to be a psychologist?

If you can attend live, you'll be able to join the discussion and ask questions. If not, you can still register to receive the recording. Register and find out more here - [Free Events – InvestIN Education]

Y10 – Y13 Explore a Career in Accountancy

Think accountancy is just about numbers? Think again. Accountants work across a huge range of industries, from sport and fashion to technology and finance, with opportunities to specialise in areas that match your interests and strengths.
ICAEW's free online resources can help you explore the profession, build your skills and discover where an accountancy career could take you.
You can experience a 360° virtual accountancy workplace, take part in virtual work experience, earn a certificate for your CV, and gain an insight into what a career in accountancy involves. You can explore at your own pace, whenever it suits you. Access the resources here: Launch your professional journey | ICAEW

Y10 – Y13 What to expect from the apprenticeship recruitment process webinar – 12 November 3.30pm – 4.15pm

Securing an apprenticeship starts with understanding the recruitment process. This webinar is ideal for prospective apprentices and those supporting them. It will provide a step-by-step look at what happens from application to appointment, along with practical tips on how to prepare. You will also hear from the Emerging Talent Lead at the Met Office. **Register here** . If you can't attend live you will receive access to the webinar recording and presentation slides afterwards.

Y11 -Y13 Telegraph Media Literacy Programme, 2 March 2027 onwards

Are you interested in Journalism and the Media? Ever wondered what it is really like to work as a journalist? The Telegraph Media Literacy Programme offers the rare chance to learn from Telegraph journalists working in news, sport, politics, podcasts, video and more.
You will develop journalism and media skills, learn headline writing, interviewing and travel writing, take part in live online sessions and competitions and receive a Journalism Certificate on completion.
The programme runs online for four weeks from 2 March 2027, with sessions every Tuesday from 4.00-5.10pm.
Applications open on 2 November (or shortly after) and close on 12 February 2027. To submit your application, visit **Future Talent: Telegraph Media Group Jobs**, and complete a short cover letter outlining why you want to participate in the programme.
